FACULTY MEETING

April 10, 1929

The meeting was called to order by the President. Due to the absence of the Secretary the roll call and reading of the minutes was omitted.

Professor Martin gave a report of a study he had made on mathematics and his attendance of the mathematics teachers at the State Association. Professor Hunter also reported on mathematics. Professor Holmes reported on the meeting of the teachers of history. Dr. Daniel made some short comments. Professor Godfrey quoted briefly on the South Carolina Academy of Science. W. H. Washington reported on several sessions he attended.

The President introduced Mr. Jones of the Pioneer Life Insurance Company who explained the group insurance of the State Teachers Association.

On motion the meeting adjourned.

FACULTY MEETING

May 29, 1929

The meeting was called to order by Dr. Sikes at twelve o'clock.

Reading of the minutes of the meeting held April 10 was approved. The calling of the roll was dispensed with.

A symposium of the papers presented at the North Carolina Academy of Science meeting on March 20 was given. Dr. Brackett, Mr. Berry, Mr. Clark, Professor McGinty, and Dr. Calhoun gave synopses of the papers presented at this meeting.

Faculty adjourned.
FACULTY MEETING

June 1, 1929

The following members of the faculty were absent: Andrews, Balcar, Brown, Burton, Carkuff, Carson, Clarke, Cody, Dargan, Gee, Harris, Hunter, Jeffries, Johnson, R. W., Johnston, O. R., LaMaster, McKenna, Marshall, Mills, Munson, Penrose, Rice, Rosenkrans, Starkey, Stevenson, Teare, Cartee, Dunlap, Lee, R. L., McClure, Shelley, Tarrant, Trawick.

The minutes of the meeting held May 29 were read and approved. Mr. Washington read the names of all cadets who undoubtedly would graduate. These names were recommended to the Board as candidates for the degree of B. S. Four graduates of medical schools having had three years of undergraduate work at Clemson were recommended to the Board for the B. S. degree. Mr. Von Haslin, having had two and one-half years at Clemson and a wide educational experience at other institutions, was recommended to the Board for a B. S. degree. Cadets Woodham, Knopf, Davis, Alexander, Player, McClesky, Anderson, Eison, Epting, McCauley, Michael, and Funderbunk were recommended for degrees when all work they have behind is made up to the satisfaction of the head of the Department and the head of the Division in which major work has been taken. Miller, T. C., was recommended for the B. S. degree if one missing grade can be found before commencement. Guy Hutchins, a member of last year's class, was recommended to the Board for the degree of B. S., having received eleven credit hours last year from the School of Music.

The Norris Metal Committee reported that it recommended that the Norris metal be given to Cadet Dallas B. Sherman. The report of the committee was accepted.

FACULTY COMMITTEE

September 1929

Faculty Meeting of September 1929 - Continued

Dr. Sikes made a brief address of welcome to the faculty. Announcements were made by Professors Washington, Calhoun, Daniel, and Munson. Colonel Munson stressed the following points: The appointment of class leaders in each class, the distinguished marks between members of the different classes, the meaning of passes, of furlough, the question of trash on the campus, and fire orders.

The new members of the faculty were introduced by their directors.

Faculty adjourned.

FACULTY MEETING
October 9, 1929

The meeting was called to order at 12:15 by the President. The following members were absent: Ayers, Buie, Carkuff, Crandall, Duggan, Goodale, Jensen, LaMaster, McGinty, Morgan, Newman, Ritchie, Starkey, Freeman, E. J., Harris, Sams, Lippincott, Pollard, Gee, Cody, Harper, Cartee, Tate. Absent and excused: Mills, Klutts, Crouch, Satterlee, Munson, Jeffres, Johnstone, O. R., Kron, Penrose, Searcy.

Mr. Washington announced that the annual State Teachers meeting would be held in Charleston in November. He spoke of the group insurance plan as sponsored by the State Teachers Association and asked any who were interested to obtain blanks from him. He announced that he was sending out forms to be filled out with information for the Southern Association.

Those members of the Academic Department who were in summer schools the past season reported on their summer work. Professor Lane, who attended Columbia University, gave a very touching account of the Negro students in that institution, and also of the mannerisms of the professors at the University. Professor Kinard, who attended the University of North Carolina, emphasized the English given there for engineers. Professor Rankin also spent the summer at the University of North Carolina and spoke along the same lines.
FACULTY MEETING
October 13, 1929

The meeting was called to order at 12:15 by the President. The following were absent: Freeman, Harris, Johnson, J. M., Hunter, H. L., Mitchell, Pollard. Absent and excused: Calhoun, Earle, Fitzpatrick, Munson, Jeffres, Johnstone, O. R., Kron, Penrose, Searcy, Gee, Cody, Brearley, Taylor.

The meeting was turned over to the Arts and Science Department.

Professor G. E. Metz, who attended the University of North Carolina, discussed Educational Fads.

Professor J. L. Carson, University of Illinois, discussed Physical Education and Athletic Training.

Dr. J. H. Mahoney of the University of Minnesota and the University of California, talked on Poorly Prepared Students Entering Classes.

Dr. D. C. Sheldon of Washington State College and the University of California, discussed Living Conditions in Barracks and Non-Credit Courses in Mathematics.

FACULTY MEETING
December 10, 1929

The meeting was called to order by the President at 12:15. The following were absent on roll call: Carodemos, Zurburg, Fernow, Freeman, E. J., Harris, D. N., Sams, J. H., Lee, Andrews, Armstrong, Crandall, Duggan, Dunavan, Johnson, W. E., LaMaster, McGinty, Newman, Shelley, Klutts.

The minutes of the faculty meeting held October 13 were read and approved.

Dr. Bagby, of the University of North Carolina, spoke on some problems in education. He drew his illustrations from his experience at the University of North Carolina. He emphasized the question of the backward student. He mentioned the fact that an efficient professor of Education, out of 100 can pick 95 who will fail. He made the statement that lecturing to freshmen was a very bad policy, and also the practice of turning freshmen over to graduate students.

Faculty adjourned.
