The minutes of the faculty meeting held May 9 were read and approved.

Professor Earle moved that all names of cadets on the Registrar's list without any back work be recommended to the Board of Trustees for the degree of Bachelor of Science. Carried.

Dr. Daniel moved that those members of the senior class who are behind on their work be given their degrees as soon as their back work is made up. Carried.
Faculty Meeting of June 2, 1928 - Continued

On motion of Dr. Daniel the name of Cadet Pardee was added to the list. On motion of Professor Brearly the name of Cadet Hutchins was added to the list.

On motion of Professor Earle the names of such engineering graduates as have done distinguished work in engineering were recommended to the Board for the degree of E. E., M. E., or C. E.. Carried.

Faculty adjourned.

FACULTY MEETING

September 3, 1928

The Faculty Meeting was called to order at 4:15 by Dr. Sikes. The roll call was suspended. The minutes of the special meeting on June 2 and the regular meeting on May 9 were read and corrected.

The enrollment prospects for the session were given by the Registrar.

Dr. Sikes made a few remarks to the Faculty mentioning some of the problems and responsibilities of the College, giving special emphasis to that of character building.

The Directors introduced the new members of their respective faculties.

Dr. Daniel raised the question of uniformity of reports by instructors. It was ruled that reports be submitted by all faculty members every day that classes were scheduled whether or not there were absences from classes. If a faculty member has no classes scheduled for a given day, no report is required.

Mr. Gee announced the football schedule.

Professor Earle called attention to the desire that sections be as nearly equal in size as possible. The President requested that this be kept in mind when registering students for classes.

Faculty adjourned.
FACULTY MEETING

September 12, 1928

Dr. Sikes called the meeting to order at 12:10. The reading of the minutes of the faculty meeting held September 3 was postponed.

Dr. Sikes announced that the program for the day would be a discussion on the part of the faculty members of their summer work at other institutions. Professor Aull in his talk emphasized library work at Ames, Professor Dunavan the method used in graduate instruction, Professor Goodale, student activities, and Dr. Buie gave an outline of a course designed to improve the teaching of college subjects. Mr. Ayres who attended Peabody brought out five points in regard to the work at that institution. After a brief discussion the faculty adjourned.

FACULTY MEETING

October 11, 1928

The meeting was called to order at 12:15 by Acting President Earle. The following were absent from roll call: Brackett, Buie, Feeley, Freeman, Jensen, Lippincott, Mills, Milford, Morgan, McClure, Mullin, Newman, Sikes, Starkey, Shelley.

The minutes of the faculty meeting held September 12 were read and approved.

The program was given by members of the Arts and Science Department who had attended summer school. Dr. Brearley and Professors Hunter and Kinard, who attended the University of North Carolina, spoke on the following phases of work there: the registration of students, teaching of mathematics, and the teaching of English. Professor Reed, who attended the University of South Carolina talked on the teaching of chemistry and library methods at that institution. Professor Rawlinson, who attended the Mississippi Institute of Technology spoke on physics and problems of physics with reference to engineering.

Professor Earle, chairman of the Committee on Commencement Speakers, submitted the following list: Rabbi Wise of New York; Dr. Poteat of Wake Forest; Calude Bowers of New York; Mr. McVey of Kentucky; Dr. Chase of the University of North Carolina; Dr. Max Mason, former president of the University of Chicago and now with the Rockefeller Foundation; Dr. Alderman of the University of Virginia. On motion of Professor Holmes this list was accepted by the faculty and recommended to the President in the order listed.
Faculty Meeting of October 11, 1928 - Continued

Colonel Munson announced plans for the State Fair. He stated that only about forty had signified that they would remain at Clemson and only eighty intended to return the same day.

Faculty adjourned.

FACULTY MEETING

November 11, 1928

The following members were absent from roll call: Barre, Carodemos, Fernow, Freeman, Marshall, Mills, Milford, Mullen, Pollard, Sams.

The reading of the minutes of the meeting held in October were dispensed with.

Professor Tate spoke on his work at Columbia during the summer session of 1928. He emphasized the cold blooded method of registration and classroom and testing methods used at that institution. Professor McKenna took work along academic lines at North Carolina State. He brought out the teaching methods used in certain courses there. Mr. Lee, also at North Carolina State, discussed the courses he took in marketing and technical writing. He also gave comparisons between the two institutions, North Carolina State and Clemson.

Dr. Sikes read the program to be held during the week of November 19 at the Land Grant College meeting in Washington.

Faculty adjourned.
