Regular meeting Academic Faculty
Feb. 28, 1921.

Meeting was called to order at 12:05 P.M.
by the Director.

Absent Mr. Hunter (excused) and Dr. Heath; present late Messrs Preston & Sherman.

The Secretary read letters from Prov. Riggs to Director Daniel in reference to special prices to employees of the college at the Community Store, in reference to the Directors responsibility to the Board of Health for conditions in their departments and in reference to the April meeting of the Board of Trustees.

The Chairman called attention to the fact that weekly reports were still inaccurate at times, to the rule requiring copies of examination questions to be filed with the Director, to the rule against giving out grades too soon and to the question of waste papers and danger from fire by their accumulation.

The Chairman appointed Messrs Johnstone, Oakes and Holmes as a committee to inquire into the advisability of purchasing a vacuum cleaner for the Main Bldg.

Mr. Oakes was asked to lead at the next meeting of the faculty on the question 'How to get students to study.'

Regular Meeting Academic Council  
Apr. 4, 1921.

Meeting was called to order by the Director at 12:05 P.M. Absent (excused) Messrs. Braddy, Hughes, Heath; present late, Messrs. Oakes and Franklin.

The Chairman suggested that Heads of Divisions make early reports as to the needs of their divisions for the next fiscal year; announced that the raising of "I's" for students was not permitted by the rules, that the President asked for the confidential reports to come in at once where the teacher had comitted his work with the students and read a letter in which the President urged that all catalog material be passed thru the Director's hands.

Mr. Oakes read an interesting paper on how to get students to study. This was followed by general discussion.

Meeting adjourned.

Meeting was called to order by the Director.

Absent Dr. Heath. The Chairman asked that
requests for changes of text book of
text-books reach him by May 14; urged
again that requests for appropriations
come in early (stating that the President
would probably call for this information
about June 1); and requested that when
a hurried leave was necessary that a
written record be later left with him.

The followed a general discussion
of proposed changes in the revision
of the curriculum

Prof. Martin and Prof. Strunk suggested
that there should be more Calculus for
the Textile Juniors and more Trigonom-
etry for the 15-Unit Agri. Freshmen
during 3rd term.

Special Meeting Academic Faculty

Sept. 16, 1921.

Meeting was called to order by Director Daniel.

He distributed records sheets, asked that each faculty member place his name on his own classroom door, mentioned the duty of making daily and weekly reports, and called attention to the fact that faculty members have probably not reported full time of their work on cards and, therefore, the Academic Faculty has not made as good a showing as that of some other departments.

He then explained the weekly, daily, and leave of absence cards.

On motion of Prof. Monson, the regular time of meeting was fixed at 12:05 on the Friday preceding the regular meeting of the General Faculty.

The Director also spoke of the matter of too early dismissal of classes.
