Regular Meeting Academic Faculty  
Oct. 22, 1918

The meeting was called to order by the chairman, who ruled that without objection, the meeting would be considered the regular meeting of the month. No objection was offered.

The chairman read a letter from the President in reference to the reopening of college and to the question of grading class work. The letter stated that the government required that the grading be made on a percentage basis and that grades be posted promptly at the end of each calendar month. The chairman ruled that grades must be posted by instructors at the end of each month in the bulletin boards in the halls or at the door of the instructor's class room.

The chairman announced that a janitor would now be hired, that names and numbers would be placed on class room doors, and that a directory for the building would be posted. He also stated that weekly reports should come in by Monday of each week, those of instructor of the three upper floors to the instructor's class room, those of the lower floor to the registrar's office, and that daily reports should go to the Commandant's office.
