Jan. 9, 1913

Meeting was called to order with Prof. Morrison presiding at 5:10 o'clock P.M. About

Moss, Furman, Johnstone, Keist, Sease, present.

late, Moss, Bramlett and Poole.

Prof. Bradley offered the following resolution: Resolved, that it is the sense of

this faculty that it is desirable to have the law governing scholarship examinations,

so changed as to have them held on the second Friday in June instead

of the second Friday in July and that the President be asked to take the proper steps towards the change. The resolution was adopted.

In the absence of the chairman of the

committee to consider audit commencement

speakers, Prof. Daniel submitted the following report:

Resolved, that it is the sense of the Academic faculty that the Senior Class

be represented at the commencement exercises by two speakers, salutatorian

and valedictorian, to be selected from

two or more representatives chosen.
by each of the several literary societies, provided that each candidate chosen by the societies shall have made an average of 80% in the academic studies during the junior and senior years.

Resolved, that the final selection be made by a committee of judges (appointed by the President) who shall fix the limit of the speeches, and who shall, in making the decision, give equal weight to the literary merit and the delivery of the speeches.

Resolved, that the Senior speakers deliver their addresses on Monday immediately following or preceding the contest for the Trustee Medal.

Resolutions were adopted after amending by striking out the words "salutatorian and valedictorian" in the first paragraph and inserting in the same paragraph after the word "studies" the phrase "common to all courses."

The faculty adjourned at 5:40 o'clock.
