Display Description

Karen Joy Fowler’s latest work, *We are all Completely beside Ourselves*, is this year’s Freshman Summer Reading selection.

Using this work as a foundation, a display of further research and leisure reading material has been set up in Cooper Library. Some of the subjects included in the display are:

- works specifically mentioned in the story (*The Ape in our House* and *Lucy*, for example)
- works on the ethics of animal experimentation (such as *The Animal Research War*)
- works centered on linguistics and communication (*The First Idea*)
- graphic novels (like *Primates* and *Tarzan*)
- and of course, more fiction (*The One and Only Ivan* and *The Darling* for instance)

The display will be up throughout the month of August and everything on display is available for checkout.
