We are again reminded of the solemn truth that
"To every man upon this earth,
Death cometh soon or late"

V. That copies of these resolutions be sent to the family of
Our Associate Professor Frank Scott Shiver passed away on the 30th.
deceased and be published the newspapers of the State for
of December last. He had been connected with this institution from
its opening nearly fifteen years ago. At that time, he had just reach-
ed manhood, so that he passed his entire adult life in the service of
this college.

Of a singularly modest and retiring character his work was
little known, except to his associates. By them he was recognized as
a faithful and efficient worker in his chosen calling, ever ready to
do his full duty quietly but conscientiously.

He was one of the founders of the Presbyterian Church at this
place, and was for a long time an official member of that body. He
had for several years borne uncomplainingly the burden of the fatal
malady to which he finally succumbed, and we believe was fully
prepared to meet the great change when it came.

We, the Faculty of Clemson College, adopt the following
resolutions:

Whereas, in the providence of God, our friend and co-worker,
Prof. Frank S. Shiver, has been removed by death, be it Resolved,

I. That we recognize the loss which has been sustained by the
College in his death.

II. That we bear testimony to his long and faithful service
amongst us.

III. That we extend our warmest sympathies to his bereaved family.

IV. That a page of our minute book be inscribed to his memory.
V. That copies of these resolutions be sent to the family of
the deceased and be furnished the newspapers of the State for
publication.
