It's Different Here
Are college football games everywhere pretty much the same?—the crowds?—the bands?—the cheers? Sure there's a similarity—but it's different here. Each game has its own distinctive flavor—spirit—tradition. So it is with uniforms we manufacture. Into them go many intangibles of experience and skill. This is why an increasing number of Units are scoring with "Uniforms of Distinction" by

Welcome To Clemson University

To our visitors, friends and alumni we extend a warm and cordial welcome. We are happy to have each of you on the Clemson University campus today, sharing our pride of this fine stadium and the kind of football for which it has become famous.

It is our wish that your visit will be a memorable one. We hope that you may find time to walk or drive about the campus to see the other points of beauty and historical interest.

This property was once the estate of John C. Calhoun. His stately mansion, Fort Hill, still stands today as a treasured remembrance of Clemson's heritage. In 1883 Thomas Green Clemson, who married a daughter of Mr. Calhoun's, willed this property to the State of South Carolina for the establishment of a scientific institution.

Clemson has grown with great esteem from a modest beginning in 1893 into a University serving nearly 5,400 students. Over 50 buildings and laboratories now make up the campus which once had only one dormitory and three other buildings.

From the shadows of Tillman Hall the statue of Thomas Clemson looks out upon a constantly changing plantation. The new $3 million library is now in operation and an 11-story high-rise residence hall is under construction on East campus. An even greater structural appearance will emerge the next ten years as result of a $50 million building program.

Two fine teams are playing today. We hope you enjoy the game and your visit, and that you will come back often.

HEADQUARTERS FOR THE TIGERS IN THE PEE DEE
Victory No. 150 Is In Sight

One of Coach Howard’s goals this season is to register his 150th victory. He now has 145 and only five other active coaches have more. And Howard will move up at least one more notch this season when Coach Jess Neely at Rice retires.

When Neely hangs up the sweats after 40 years of head coaching (4 at Southwestern, 9 at Clemson and 27 at Rice), Howard will have the longest tenure at one school in the nation. He and Neely are now tied for this honor.

In 12 years of ACC competition, Clemson has a 76-52-2 overall record and 47-25-1 against conference teams. During this time Clemson has scored 2,342 points—more than any other team in the league; and given up 1,652—fewest in the league.

The Century Club...

Fifteen coaches who are at major football institutions (as classified by the National Collegiate Athletic Bureau) have now won 100 or more games in their careers. The “Century Club” saw five members enter last year and two retire. Coach Frank Howard is third-ranked for the most years as a head coach (behind Warren B. Woodson of New Mexico State and Jess Neely of Rice) while Howard and Neely have been head coaches at one institution longer than anyone else. Both start their 27th year at one school in 1966. Howard ranks sixth in the nation for the most wins in a career. Listed below are the “Century Club” members.

You...and this Company have a big job ahead –

we must check pollution in the South!

All of us... individuals, cities, counties, industry... must join in the battle to check pollution of our streams. If we continue to foul our supply of water, all of us will suffer.

Realizing this great need, Pomona Pipe Products has broadened its services in the sanitation field. In addition to the sanitary sewer pipe which we have been selling for generations, we now carry a complete line of other sanitation equipment, such as sewage pumping stations, treatment plants, chlorination equipment, etc.

Our technical staff is ready to help with all phases of sanitation planning, including financing and federal programs. We welcome an opportunity to be of assistance on any problem which you may have regarding waste disposal.

Why did Alcoa hire Rod Wilson?

Because Alcoa needs men to fill key positions—men capable of moving to the top; men who seek and measure up to responsibility. Rod Wilson is that kind of man. An Army ROTC Distinguished Military Graduate at Colorado State University, Rod won an officer's commission in the Regular Army along with his degree. Forty-four months of active duty, including 16 months overseas as an artillery commander, earned Rod Wilson 24-carat credentials as a leader, a man schooled in the demanding disciplines of command, the kind of man Alcoa looks for.

If you're this kind of man, prove it to yourself, and to the companies like Alcoa who are looking for you. How? Get in Army ROTC. Stay with Army ROTC, all the way to success.

The VIRGINIA Series

One of the most exciting ball players in America comes to Clemson Memorial Stadium today. He can be described as versatile, spectacular, unorthodoxed, elusive — a complete athlete.

Now in his senior year, Bob Davis in his past two games with Clemson, has given the Tigers some anxious moments.

Take for instance two years ago on these same battle grounds. Then a sophomore, the Neptune, N. J., native ran 10 times for 77 yards and completed 10 of 19 passes for another 119 yards. In his rushing total was a 35-yard run for a TD.

This was a typical Davis run. His total distance was probably 70 yards. But he likes to swing and sway, jitterbug, frug and waltz when he has the football. In this way he usually gives everybody on the opposing team at least two shots at him — and some get three.

Last year at Charlottesville, where the Tigers had to come from behind to win 20-14, Davis ran only three times for 15 yards, but completed seven of 14 passes for 72 yards.

Davis led the Cavaliers past Wake Forest last Saturday, 24-10. And he had plenty of help from such players as Frank Quayle, George Stetter, Don Parker, Ed Carrington, Carroll Jarvis — just to name a few.

The Tigers' Coach Frank Howard is anxious to get his horses in the starting gate. He says this could be the best team he's ever had at Clemson.

Such familiar names on offense as Wayne Bell, Edgar McGee, Wayne Mass, Harry Olszewski, Mike Facciolo, Phil Rogers and Bo Ruffner return. On defense Joey Branton, Butch Sursavage, Floyd Rogers, Mac McElmurray, Wayne Page, Arthur Craig, Phil Marion and Kit Jackson are back.

And names like Buddy Gore, James Tompkins, Jimmy Catee and Billy Ware will go in the line-ups for the first time.

Today is the 10th meeting between Clemson and Virginia on the gridiron and the Tigers have been on the winning side in the previous nine. However, except for a couple of occasions, there has been a real fight for the Tigers.

Cavalier Coach George Blackburn came close to claiming Virginia's first tiger skin last year. It could be even closer today.

1966 Buick: The Sedan Car

Wouldn't you really rather have a Buick?

And besides that, all the beds are in English, and beside them all the looks are in French.

Enthusiasm is the buck riveting of comfort, and sound deprivation. If enthusiasm is the buck riveting of comfort, the Roman edition could possibly be if the enthusiasm is less shock and dramatic to any further editorial. If enthusiasm is less shock and dramatic to any further editorial.

You'll quickly discover that the 60s is in your country. The way to watch an introduction to the main event is simply to watch your nearest Musk Vander and be glad that it's there.

THE BUICK RIVIERA. Made in U.S.A.

Like this 1966 Riviera, the Sport. What makes a car a car is stylish performance, ride and handling. Only when they're all lined up together is the car a Buick.

Clemson Tigers
Clemson football fans heard two new phrases last season from play-by-play announcer Bill Goodrich. The "mercy" and "whoop-e-e" were his trademarks at Ole Miss and he brought them with him to South Carolina.

This year Goodrich will be joined for the color end by Pat Williams, popular general manager of the Spartanburg Phillies of the Western Carolinas League, who in his 26 years, has seen, played and broadcast a lot of sports.

Goodrich is sports director of WFBC-TV and Radio in Greenville. He broadcast the Ole Miss games for seven years prior to coming to his present post, and has been heard on as many as 275 stations on one broadcast.

A 21-year veteran in radio and 11 years of television experience, Goodrich was no stranger to South Carolina sports fans.

While located with WORD in Spartanburg in the early '50's he did Wofford football and basketball and also play-by-play of the Spartanburg Peaches of the old Tri-State League. Later moving to WSPA-TV for two years, he handled the Clemson football films during 1956 and 1957 and broadcast the '55-'56 Tiger basketball games.

Williams graduated from Wake Forest where he was the varsity baseball catcher for three years and was on the ACC championship club of 1962.

The new color man received his masters degree at Indiana in 1964 and while there, broadcast football and basketball for two years over the Indiana University Sports Network. Last year Williams broadcast on the Wake Forest football and basketball networks.

Williams has been general manager of the Phillie farm club since Feb., 1965, and with a seventh place club, led Class A baseball in attendance. This year the Phillies established a new Class A record long before the season was over.

The Clemson network, operated wholly by the athletic department, has been one of the most successful anywhere. It is one of the nation's largest collegiate networks, having averaged slightly over 50 stations a game for the past five seasons.
Death Valley Record...

In the past 24 seasons, 22 teams have made appearances in Clemson Memorial Stadium, now pretty widely known as "Death Valley." Only three teams (George Washington, Villanova and Maryland) have an edge on the Tigers’ home ground and two of these (GW and Villanova) have just played one game in Memorial Stadium. Below is a season-by-season rundown of Clemson’s record at home since the stadium was built and used for the first time in 1942.

Additional Facts

Clemson’s longest winning streak at home is 10 games and occurred during the 1949-50-51 seasons. A nine game skein came during the 1957-58-59 seasons. The Tigers have lost three in a row at home once (1962) and have lost two in a row four times (1943, 1949, 1961 and 1964).

Clemson has shutout opponents 26 times in "Death Valley." (Presbyterian 9 times; N. C. State 4; Furman, Duquesne and Wake Forest, twice each; and VPI, Auburn, Citadel, Virginia, Duke, North Carolina and Texas Christian, once each). The Tigers have been shutout five times at home in 24 seasons (George Washington in 1942, Maryland in 1953 and 1965, Duke in 1962 and North Carolina in 1964). Between the Maryland whitewash in 1953 and the Duke blanking in 1962, the Tigers scored in 38 consecutive home games.

The 26-21 victory over North Carolina in 1958 was Coach Frank Howard’s 100th coaching victory.
Photography Facilities Tops...

A photographer covering a football game at Clemson will find almost every facility needed to adequately fill his boss' desires.

With chief photographer Jim Burns and his assistants Charles Haralson and Tom Shockley on hand, equipment, space, chemicals and game action pictures are available to visiting photographers.

A 27-foot open section on the second deck of the press box is reserved for visiting and home team movies. If there is remaining space, TV film is also shot from this point. If not, still photographers, as well as movies, have at their disposal the entire roof, which stretches over 30 yards.

Within the press box is a complete dark room where film can be loaded, processed and wire photos transmitted during the game.

Burns and Haralson take game movies, running two cameras (one for coaches and one for TV). The necessary number of prints are made for scouting, exchange with other schools and showing at alumni gatherings.

Shockley shoots game action from the field during the first half to distribute at the end of the game.

The Clemson press box is the only one in the Atlantic Coast Conference (and one of the few in the nation) equipped with a Fotorite machine for rapid print processing. This unit enable pictures of the game to be printed within minutes after being taken.

Any newspaper or TV station desiring to receive this service can do so simply by requesting it. At the end of the game a set of game action pictures (usually six to eight) is brought to the individual at his working space for use in either Sunday or Monday newspaper editions, or on late Saturday night TV shows.

This has proved to be a highly popular feature with those covering Clemson's home games and it will again be offered this coming season. Last year 457 pictures were distributed at the four home games and in four seasons, 1,681 pictures have been given free.

The coordinating services of Burns, Haralson and Shockley is just another reason why the Clemson press box has received the two highest awards from the Football Writers Association of America.
Clemson’s football staff is made up of these 10 coaches. Kneeling left to right are Bill McLellan, scouting team; Fred Cone, chief recruiter; Art Baker, offensive backfield; Don Wade, head offensive; and Whitey Jordan, offensive end and flankers. Standing left to right, Bob Patton, head freshman; Banks McFadden, defensive backfield; Frank Howard, head coach; Bob Smith, head defensive; and Bob Jones, defensive ends and tackles.
