to take Mathematics and Physics in third
term, to make up failures and such
other subjects as may be assigned
under normal conditions,

Student taking class over.

Cadet H. W. Lewis was given permission
upon recommendation of Chairman of
Committee on Inorganic Students to drop
Senior Chemistry on account of conflict
in schedule.

Cadet Putnam was granted permission
to stand examination in Physics on
Saturday next.

Mr. J. M. Daniel was elected to represent the
faculty at the Student Association of
Y.M.C.A. at Nashville.

A letter from Prof. Rembert, Sec. of A. C. A,
Association of Colleges was referred to
a committee composed of the following
members of faculty, Messrs. F. Ordorick,
McCasas and Daniel. Faculty
adjourned at 6 P.M.
To the Faculty:

The committee submits the following:

I. In view of the obvious desirability of a definite decision on the matter it is recommended that the Faculty adopt the following course of action:

II. The committee recommends that we continue our membership in the Association and cooperate heartily in its work and support.

III. If we are to remain in the Association it is recommended that the report of the Association committee on minimum entrance requirements, and the desirability of uniform entrance requirements in Mathematics, English, History, and Geography be discussed at the next meeting of the Association.

IV. It is the opinion of this committee that, if this faculty has not been informed of the election of a Committee on Culture in Sparta and the last meeting of the Association.

Very respectfully,

[Signature]

Committee

Saturday next, Mr. W. Daniel was elected to represent the faculty at the Student Association of YMCAs at Nashville.

A letter from Prof. Rembert, Sec. of S.C. A., Association of Colleges was referred to a committee composed of the following members of the faculty: Messrs. Bouvier, W. Lucas, and Daniel.
