April 1845

 Called Meeting Sep 12, 1845

M. M. McFarland M. P. McClelland

Mr. McFarland has been elected to the School for the next

year. He is a good student, industrious and industrious.

Mr. McClelland is to be trusted in the stead of Mr. McClelland.

Mr. McClelland is to be trusted in the stead of Mr. McClelland.
period, Cadet E. H. Hutchins, J. P. Kennedy, and Capt. Marion were granted permission to
change from the Mechanical to Agricultural course.

Capt. J. H. Clarkson was granted permission to change from Agricultural course to Mechanical course.

The faculty adopted the schedule as

The faculty adjourned at 6 p.m.

J. Hudson

J. W. Ferguson

Regular Meeting, Sept. 14, 1901.

Called to order by President at 5:45 p.m.

Absent on roll: None, Bradley, Clay, Howard, Houston, Hume and Johnson.

Present: Lee, News, Clay and Johnson.

Faculty granted Mr. Barrie permission to hold make-up examination in Room B, next Sunday, 11 a.m. Upon the request by
Mr. Agg, permission was given to change

The above mark of Cadet R. W. Eichorst proves to be as he passed the examination credibly.

The faculty granted the irregular asked for

by Mr. J. Rhodes, schedule filed.

Applications of Cadets F. M. Dwight, C. W. Mack, J. F. Heyward and W. H. Keenan for

irregular course was granted. Schedule filed in Capt. office, Cadet E. Jones was granted permission to drop English and

English, as he completed them last year.

Cadet J. B. Ellison was given permission to
drop English and Military Science as

he completed them last year.

Cadet O. W. Newman was granted permission
to take regular Sophomore and to make

up third year math and Freshman spelling.

Cadet P. M. Lee to take Sophomore class
except English, to take Fresh English.
Cadet M. A. Williamson was granted permission to stand examination in Nautical during month of Sept.

Cadet W. A. Putnam was granted permission to take an irregular course, making up junior subjects on which he failed. Cadet H. K. Sullivan and J. M. Maclay applied for re-examination, which was refused by faculty. Cadet H. E. Traeger was granted permission to take examination in English until end of 1st term on account of weakness and his consequent inability to prepare for it.

Cadet W. M. Gasser was granted permission to enter Sophomore class deficient in Freshman spelling. Cadet R. K. Britt was granted permission to change from Electrical and Mechanical Course to Civil Engineering Course with mental conditions as to makeup. Cadet J. F. Callanan was granted permission to enter Freshman class and take preparatory spelling exam.

The application of Cadet W. C. Thompson for an irregular course was refused. Cadet J. M. Smith was granted permission to change from the Civil Engineering Course to the Mechanical and Electrical Engineering Course.

Cadet W. E. Campbell was granted permission to change from the Civil Engineering Course to the Mechanical Engineering Course.

Cadet C. L. Williamson was granted permission to examination in Plant and Animal Life on next Saturday AM. Cadet M. A. Savage was granted permission to stand examination on Mechanics and Physics at such time as agreeable to instructors.
The attached report was submitted by the Committee on Irregular Students.

Upon motion of Mr. M. Lucas all students granted taking Sophomore English were required to take it in place of Junior English.

Faculty adjourned at 6:30 P.M.

J. Shaulgin

Secretary

Called Meeting Soph 11- 04

Called to order at 5th P.M. by President.

Absent on leave: Austin, Bradley, Bryan, Calkins, Chambers, Hazel (2), Houston, Mclain, Newman, C. O., Shearer, Harvey and Michael.

Present: Late: Austin, Bryan, O. Austin, Houston, Houston and Bradley.

Cadets E. B. McCartney, J. A. Felton, and Jones were granted permission to attend examinations from which they were absent during said period.

Cadet E. B. Reaves was granted permission to enter Sophomore Class in all subjects except math to take Freshman Math.

Cadet R. H. Allston was granted permission to take solid geometry with freshman class in addition to regular sophomore.

Cadet S. E. Epper was given permission to enter freshman class and in addition take preparation: spelling.

Cadet H. T. Corwin was given permission to continue irregular courses and take Sophomore English over.

Cadet E. R. Barstow was granted permission to substitute Mathematics for Biology, English, and Mechanics for first term as he passed on these subjects session 1903-04.

Cadet H. C. Branson was refused.
Report of Committees on Irregular Students

The request of Cadet C. R. Barksdale to leave the Senior geology, English, and mechanical engineering, and to substitute for mechanical engineering, upon the recommendation of the committee and the approval of the faculty, was granted on condition that the request was refused upon the recommendation of the committee on the second and third terms.

The request of Cadet L. N. Whitehead for permission to substitute for mechanical engineering, upon the recommendation of the committee and the approval of the faculty, was refused because of the request was refused upon the recommendation of the committee on the second and third terms.

Upon the recommendation of the committee and the approval of the faculty, the request was refused because of four failures in the second year. The request was granted on condition that the request was refused upon the recommendation of the committee on the second and third terms.

Upon the recommendation of the committee and the approval of the faculty, the request was refused because of four failures in the second year.
Cadet T. L. Ross asked for permission to take Freshman algebra in addition to the regular Sophomore work. Upon the recommendation of the committee and the approval of the faculty, his request was granted.

Cadet H. P. Moses asked for permission to take the regular Junior course and also Sophomore English. Upon the recommendation of the committee and the approval of the faculty, permission was given to take all Junior studies except Junior English, and in addition, Sophomore English required.

Cadet G. W. Busch asked for permission to take an irregular Junior course. Upon the recommendation of the committee and the approval of the faculty, the request was not granted on account of failures in mathematics, physics and descriptive geometry.

Cadet E. H. Wyman, Jr., asked for permission to take an irregular mechanical Sophomore. Upon the recommendation of the committee and the approval of the faculty, the request was refused on account of failures in mathematics and English.

Cadet C. W. Rice asked for permission to enter the regular Sophomore class and to take in addition to the Sophomore studies, algebra for the first term. Upon the recommendation of the committee and the approval of the faculty, the request was granted.

Cadet W. N. Henderson asked for permission to take Sophomore studies except English, instead of which Freshman English. Upon the recommendation of the committee and the approval of the faculty, the request was granted.

Cadet W. R. Woodward asked for permission to take Freshman algebra in addition to Sophomore mathematics. Upon the recommendation of the committee and the approval of the faculty, the
request was granted. Cadet H. H. Huggins asked for permission to take Freshman mathematics along with Sophomore mathematics. Upon the recommendation of the committee and the approval of the faculty, the request was granted.

Cadet Jas. R. Davis asked for permission to take Sophomore studies except mathematics, in place of which Freshman mathematics. No action taken.

Cadet J. H. Earle asked for permission to take Freshman studies without Sophomore mathematics. Upon the recommendation of the committee and the approval of the faculty, the request was granted.

Cadet E. E. Reeves asked for permission to take Sophomore studies and in addition Freshman mathematics and to change from the mechanical course to the agricultural course (1). Upon the recommendation of the committee and the approval of the faculty, the request was refused.

Cadet E. B. Alford asked for permission to take Senior steam engineering, Senior mechanics, Senior civil engineering, Senior military science, Senior geology and Senior mechanical laboratory. Upon the recommendation of the committee and the approval of the faculty, the request was granted.

Cadet E. A. Crawford asked for permission to take the work of the Junior class and in addition Sophomore English. Upon the recommendation of the committee and the approval of the faculty, he was allowed to take the Junior work with the exception of English, in place of which he was given Sophomore English.

Cadet J. M. Bryan asked for permission to take Sophomore English along with regular Junior studies. Upon the recommendation of the committee and the approval of the faculty, he was allowed to take the Junior work with the exception of English, in place of which he was given Sophomore English.

Cadet H. C. Crum asked for permission to take Sophomore English along with the regular Junior work. Upon the recommendation of the committee and the approval of the faculty, he was
allowed to take the Junior work with the exception of English, in place of which he was given Sophomore English.

Cadet J. W. McLendon asked for permission to take first term mathematics with Sophomore in addition to regular Junior work. Upon the recommendation of the committee and the approval of the faculty, the request was granted, on condition that he make up 1st term work.

Cadet H. H. Brunson asked for permission to take Freshman mechanical drawing and irregular Sophomore work, agricultural course. No action taken.

[Signature]

A Waiver was granted to Brunson to enter Sophomore class and make 10 weeks drawing course adjourned at 6:30 P.M.

J. Flagler

Sept. 30

Cadet Meeting Sept 21-1903

Announced to members by Prof. at 5:30 P.M.

On recorder: McCall, Besse, Dougherty, Matlack, Ruggers, and Menzler were granted 10 weeks to make up English.

Lutchen and H.H. Halligan were

in which to stand an exam

faculty. The rule allowing advance with too deficiency subject was declared not to stop students entering the Junior class unless given permission to copy works during senior such
permission to extend time to make up practical work and ordered to take fifth class over.

Cadet J. E. Reaves was granted permission to stand re-examination in English at end of 1st term.

Cadet M. W. Pelletie was given to the end of next 6-day make up period to make up Technical and Mechanical Drawing.

Cadet H. C. Marion was given permission to enter junior class in all subjects except English to take fifth English period to make up fifth woodwork.

Cadet J. H. Willits was granted permission to stand re-examination and to, with senior class, on account of being wounded and unable to make at regular time.

Cadet M. D. Munson was granted permission to enter sophomore class and take Freshman drawing class.

Faculty adjourned at 6:30 P.M.

Y. Shanklin

Regents Meeting Sept. 21, 1908

Meeting called to order by President. Address on case Messrs. Clay, Daniel, Ferguson, McCall, Burgess and Harvey.

Cadet Hunsfords was granted one month in which to make up English.

Cadets J. Paterson and H. F. Pallatzen were given 2 weeks in which to stand re-examination in Physiology.

By vote of faculty the rule allowing a student to advance with one deficiency in one subject was declared that to apply to students entering the senior class.

Cadet G. D. Peeling was given permission to make up force works during regular make up periods and during the next five days.
made up periods. Cadet J. H. Boyd was given permission to stand re-examination in math.
Cadet J. H. Davis was granted permission to take Fresh math four times a week instead of five as only four hours could be arranged on schedule.
Cadet J. H. Cherry was granted permission to stand re-examination on Mechanics.
Cadet H. A. Sullivan's application for an extra course was refused.
Cadet L. A. Wolfe was granted an irregular course in Junior class, taking Sophomore studies on which he failed.
Cadet W. J. Brown was granted one week in which to make up deficiencies.
Cadet F. E. Thomas' application to take machine shop instead of Physical Laboratory was refused.
Cadet J. W. Williams was granted permission to make up Preparatory spelling by end of next 5 day period.
Cadet W. O. Douglas was granted permission to change from Textile to Agricultural Board.
Cadet W. W. Kirkwood was given permission to stand re-examination on Math at end of 1st term.
Cadet J. M. Miller was given permission to take Junior class, deficient on term math and one year spelling.
Cadet W. A. Robinson was given permission to make up work during regular make up periods.
Schedule for make up work as presented by Mr. Pigg was authorized by faculty.
Adjourned at 6:30.
J. Franklin
S. S.
Regular Meeting Sep 28, 1905.

Called to order at 5:30 p.m. by President.

Cabinet R. Secret was granted permission to take Freshman class and Preparatory Science in addition.

Cabinet J. L. Johnson was granted an irregular course, to take all senior work of Textile course and junior Mechanics in addition. This course was granted on condition that all work be made up except Mechanics.

Cabinet J. W. McLeod was granted permission to take 1st term Math. in addition to regular junior and to make up Physics class work for 2nd term.

Cabinet J. A. Smith was granted an irregular course in junior and senior subjects, as per schedule on file.

Cabinet W. A. Putnam was granted permission to take full senior work and to make up Physics from the 2nd Term, and to make up Analytical Geometry at the end of the year.

Cabinet J. W. McLeod was granted an irregular course, schedule on file.

Cabinet W. A. Brown was granted permission to take soph more except Math. to take Fresh Math.

Cabinet B. D. Parnell was granted permission to change from Agricultural course to Mechanical course.

Cabinet F. M. Furtick was granted re-examination in Physics on account of his inability to prepare for the re-examination held during 5th day period.

The faculty refused the application of Cabinet L. E. Boone to allow his 1st term work of last year stand.
Cadet J. F. Reid was granted an irregular course to embrace the subjects on which he failed and pass the work. Upon recommendation of the Faculty Athletics Committee on Athletics, a paragraph was inserted in the Rules Governing Athletics which changed it to read: "No student who is found to be deficient in more than one subject for one term shall be allowed to play in any match game during his next College year &c." Adopted by Faculty.

The following Faculty representatives were elected to the Athletic Council: Messrs. Calhoun, Chamberlin and Daniel.

Faculty adjourned at 6 p.m.

J. Shanderin
