The President read Cal. Ferguson's comment on the report of Committee on Scholarships.

Committee Report:

I. That questions for examinations 'when the common school branches' be prepared and sent to the various County Boards of Education on or before the 15th day of July.

II. That these questions be judged to suit the capacity of the advanced students of ordinary country schools.

III. That young men after winning the scholarships may be assigned by the faculty to each class in the Agricultural courses as they may be prepared to enter.

IV. In order to meet the emergency the rule requiring selections of courses to be made on entrance to the Sophomore class, be abrogated and selections must be made on entrance to the College or Sub Fresh.

V. When a cadet selects the Agricultural course and secures a scholarship he shall not thereafter change to any other course.

After discussion Prof. Brodie moved to change sec. 1 to read that the examinations shall if passed admit the student to the Sub fresh class, but that a student desiring to enter a higher class shall stand regular examinations for entrance to such class. The Faculty discussed the
question at length and the motion was lost. Section IV was added to report of Committee as an amendment on motion of Prof. Morrison.
Sec. V was added to report of Committee on motion of Prof. Morrison.
On motion of Prof. Riggs the faculty adjourned at 6:07 PM.
