MODIFICATIONS OF REGULATIONS REGARDING MAKE UP WORK.

Resolved:

1. That no grade shall be given for absences, excused or unexcused, except as hereinafter provided.

2. That when a student is, for any reason except military duty, absent from one-fifth or more of the total number of class periods in any theoretical subject in an academic month he shall be required within thirty from return to duty to make up the work missed to the satisfaction of the Instructor, the grade attained to be entered as the average grade for the period of absence.

Any student failing to make up work at the time appointed by the Instructor, shall not be given further time or opportunity to make up unless he presents to the Instructor a satisfactory excuse for his absence from the make up period. If the excuse presented to the Instructor is unsatisfactory, he shall be given zero grade for the absences.

3. All absences from practical work, except on account of military duty, shall be made up to the satisfaction of the Instructor. All practical work shall be made up within thirty days from return to duty. Any student failing to make up practical work at the appointed times shall be reported to the military department for proper punishment.

4. That all absences from monthly reviews or examinations shall be made up. If absence is on account of military duty, it shall be made up in such regular schedule hour for the subject as the Instructor may designate.

5. That no student be promoted in any subject, who under the above regulations has work to make up in that subject.

6. That in Shop work and Drawing, grades be given only at the end of each term.

Respectfully submitted for the Committee
