Upon motion of Mr. Lewis the following motion was adopted:

"That a committee be appointed with the registrar as chairman and with power to vote to take up the matter of the records of the graduates to prepare blanks for the purpose of collecting information in regard to graduates and to devise plans for keeping in touch with them and keeping the records up to date.

The following resolutions presented by Warren Morrison and Prof. B. were unanimously adopted:

"Whereas, Prof. J. C. Lewis, who for eight years has filled the chair of Geology and Mineralogy in our institution, now desires his connection with the Clemson Agil College of S. C., in order to accept a similar position in Rutgers College, New Jersey.

Therefore be it resolved that as a faculty, we wish in this way to express and put on record:

I. Our appreciation of the pleasant relations which have uniformly marked all of our associations,

II. Our highest commendation of the cheerful diligent work which our friend and
Colleague has always discharged his every duty not only in classroom, chapel, and faculty meetings, but wherever and whenever there was a call or an opening for work for Clemson or the cause for which Clemson stands.

III Our congratulations to the authorities of Rutgers College on securing the services of such an accurate scholar, successful teacher, and earnest Christian worker as Dr. Lewis.

IV Our assurances to Dr. Lewis of our hearty best wishes for his continued and ever enlarging success in his new field of labor.

Dr. Lewis expressed his appreciation of the good wishes and congratulations offered for him by the faculty.

The President announced that the Board of Trustees had decided that in future the Chairman of the Board of Trustees and President of College only would sign diplomas. Faculty approved at 10:35 A.M.
