year, under the resolution adopted recently, The President appointed Messrs. Newman Jr., Lewis, and Daniel.

On motion of Mr. Morrison, the Faculty adjourned.

J.Wolsey Lewis, 
Sec. of Faculty.

Regular Meeting, May 1, 1903.

Called to order by the President at 3:15 P.M.

Absent on roll call: Messrs. Bradley (excused), James (on account of illness), Johnson, Maticas, Newman, C.C., Morrison (on official duty), and Watson.

Minutes of last meeting were read and approved.

Mr. Morrison, Chairman, presented a schedule prepared by the committee for final examinations for the lower classes. The final examinations were to begin June 1st, follow on May 29th, and June 25th, 1903.

On motion of Mr. J.S. Newman, the report was adopted by vote of the Faculty.

The Committee appointed at last meeting to arrange dates for marking out grades next year, presented a report (copy attached) recommending that grades be marked out for the periods ending on Fridays, as follows:

Dec. 16, 1903; Dec. 23; Dec. 30; Jan. 6, 1904; Mar. 4; Apr. 1; Apr. 8; May 27; and to begin of final examinations.

On motion of Mr. Morrison, the report was adopted by vote of the Faculty.

The President made the following announcement:

1. That the government military instructor had arrived, and would require the corps during all of the forenoon on the 7th. College exercises would therefore be suspended during that period.
Attention was called to the rule of the Board of Trustees as to employment of labor by members of the faculty for college work. Confusion had sometimes resulted from failure to obtain information from the President as required.

REPORT OF COMMITTEE ON PERIODS FOR MAKING OUT GRADES DURING 1903-1904.

On motion of Professor D. B. Mills, the Faculty adjourned.

Second Term:

Friday, March 4, 1904

" April 1, 1904

" April 22, 1904

" May 14, 1904

May 27, 1904, or to the beginning of final examinations.

Called to order at 1:30 o'clock by President.

Absent are: Mrs. A. P. Oliver, Chas. V. Stone, L. P. Johnson, J. H. H. Bellamy, E. M. Leach, Miss L. C. Haney, W. C. W. Cooper, R. L. Teach, Jr.

Adopted by vote of the Faculty May 7, 1904.

The President presented a circular letter from the President of the College, Professor A. P. Oliver, to the University. The circular letter was read and approved. The President appointed two committees to report recommendations as to the past this institution should take in the exhibits as follows: Prof. Coates, Misses Newman, Newman, and Mr. Whitehead, A. F. Thompson, Misses Newman.
Attention was called to the rule of the Board of Trustees as to employment of labor by members of the faculty for college work. Confusion had sometimes resulted from failure to obtain written authorization from the President, as required.

Rep.:

1. Reports from members of the faculty, on the year's work, and embodying estimates for next year, now desired by the President during the month; as early as the 20th if practicable. Estimates for next year should be grouped under three heads: (1) Labor; (2) Running expenses; (3) Equipment. Requests for appropriations from Experimental Station funds should be separate.

On motion of Mr. Daniel, the Faculty adjourned at 5:14 P.M.

J. Volney Lewis
Sec. of Faculty

[Signature]

Regular Meeting, May 14, 1903.

Called to order at 5:15 P.M. by the President.

Minutes of last meeting were read and approved.

The President presents a circular letter from St. Louis Exposition. Prof. W. F. Stone, of St. Louis University, Chairman of a committee of the Mass. AGR. College Exhibitions, in charge of an exhibit of their college in the educational department of the St. Louis exposition in 1904.

The President appoints two committees to report recommendations as to the part this institution should take in the exhibit, as follows: Agr. Dept. - Messrs. Newman, J.B., Chalmers, Upton; Chalmers, Newman.
The Committee of Examinations recommended that a second examination be allowed Capt. C.B. chili, in chemical laboratory, subject to a fair class standing and no further failure. Adopted by vote of the Faculty.

Mr. Lee moved that the schedule examinations for sophomore mathematics, be changed, in order that the class might have one more period in drawing. On motion of Mr. Hooper, J.B., the matter was referred to the Schedule Committee, with power to act.

Mr. Lewis states that certain applicants for the freshman class last fall, entered field on laboratory physical geography during the preceding year. In the absence of the instructors, they were permitted to enter the class with that condition. He moved that all such cadets be notified that they will not be permitted to the sophomore class until the condition is removed, and that they will be permitted to stand a second examination on physical geography during the 5-day examination period preceding the fourth week September. Adopted by vote of the Faculty.

On motion of Mr. Riggs, the Faculty adjourned at 6:35 p.m.

J. Holley Lewis, Pres. of Faculty.
Regular Meeting, May 21, 1908

Called to order at 3:15 P.M. by the President.

Absents on roll call: Messrs. Foster, North, Johnson, Nesom, Dr. Hines, Watson.

Minutes of last meeting were read and approved.

Mr. Morrison, Chairman of Schedule Committee.

Schedule reported that the committee had been peti-
ted by section C of the senior class to move their examination period with Mr. Brodin, on account of the number of sus-
cessive examinations. The Comm. recommended that request be granted, as Mr. Brodin approves. Report adopted by vote of the Faculty on motion of Mr. Lincoln.

Mr. Rippa reports for the Schedule Com-
mittee the action in regards to Mr. Leis mo-
tion at last meeting that sections 1, 21, and 25 move their examinations move from Friday to Tuesday following, and that their examination in chemistry be placed on Friday afternoon. The Comm. found that all justices concerned consented to the change, and recommended that they be made. On
motion of Mr. Lincoln adopted by vote of the Faculty.

A letter from Rev. A. P. Rembert, S.C. of Winthrop Col-
lege, S.C., S.C.A., announcing the action of the Executive Committee, at its recent meeting in Columbia, adopting the constitution and rules of the Southern Intercollegiate Athletic Association, in toto, and recommending that all members of the state association join the Southern. The approval of the faculty was asked, and on motion of Mr. Lincoln, it was referred to the Athletics Committee.

Cato H. A. Lewis petitioned to be excused from practical work missed while sick, as he is taking a year's work over, and com-
pleted all practical work satisfactorily last year. The petition was endorsed by his
literate in woodwork and drawing.

On motion of Mr. Morrison, the petition was granted by vote of the faculty.

The President stated that the water supply is becoming less on account of continued dry weather, and called attention to the rule of the Board of Trustees forbidding the use of water from the spa for watering plants.

On motion of Mr. Daniel, the faculty adjourned at 5:30 P.M.

J. Holley Lewis,
Sec'y of Faculty.

Regular Meeting, May 28, 1908.

Called to order at 5:15 P.M. by the President.

Absent on roll call: Musser, Foster, Pincus, Barnett, James, Malcolm, Martin, Mose, Newman, Jr. (on official duty), Rigg, Motion.

Present: Musser, Rigg.

Minutes of last meeting were read and approved.

The following petitions were considered:

Cadet E. L. Bradford presented a letter from an officer of the S.C. Railway, offering him a position as drafterman at $8.50 per month, and urging him to report not later than Jan. 1st for duty at Charleston, S.C. He wished permission to go as soon as his examinations are finished, his diploma to be sent him, endorsed by vote of the faculty.

Cadet E. M. Walker petitioned to have practical work missed while sick carried over to next year. On motion of Mr. Rigg he was allowed to make it up during the 5-day examination period before the opening next September.

Cadet R. C. Nickles asks to have his examination postponed until next September. Postponed to the 5-day exam. period in Sept. on motion: Mr. Lewis.
Cadet A. R. Evans, requested postponement of practical work on account of sickness, grated until the A.F.T. examination finish, on motion of Mr. Lewis.

Cadet J. W. Harris asks for an extension of one week to make up English and Chemistry, on account of serious trouble with teeth, granted by vote of the Faculty.

Mr. Morrison, chair, School Committee, reported the petition of the Junior class to have examination in Col. Economy change from Friday afternoon, May 28th, to morning of same day. Comm. recommends placing it at 16th and W. M. approved by vote of the Faculty.

Also petition of electrical juniors that their examinations in Physics and Electricity be set for June 6th and 8th, respectively, in form of paper so that similar change be made with Physics and Civil Engineering for the Juniors, who agree to the request. Instructor consented and Comm. recommends it be granted. Adopted by vote of the Faculty.

Mr. Bate presented the oral report of Cadet C. H. Ramer, petitioning Junior class over to be excused from examination in Physics on the ground that he passed on it last year, and also because he had been excused from examinations under similar circumstances on the written test in mathematics and English. Others also stated that they had had similar requests from Cadet Ramer. Mr. Lewis moved these requests be refused, on the ground that they are directly contrary to regulations of the Faculty. Motion passed by vote of the Faculty.

The President announced that Cadet W. M. O'Brien had been granted indefinite sick leave.

The President also requested the Faculty to provide for the appointment of judges of the literary society contest on Monday of Commencement. The nomination of Mr. Daniel, Messrs. Furrer, Morrison and Brodie was appointed a committee to name
The president requested the faculty to meet on Sunday and Tuesday of Commencement, in the president's office and march in a body to the stage in the chapel. The stage to be occupied by the faculty, the class speaker (on Sunday) and prominent visitors, the senior class on both days to occupy the front seats.

On motion of Mr. Daniel, the faculty adjourned at 6:05 P.M.

Geo. Lewis, 
Dean of Faculty.

Regular Meeting, June 4, 1903.

Called to order at 5:17 P.M. by the President.

Absent on roll call: Messrs. Bailey, Bradley, Bryan, Daniel, English, Fiddell, Gillman, Johnson, Keith, McLean, Martin, Meason (excused), Smiley (excused), Waller, Watson, Wright, Hunter (not present).

The following petitions were considered:

1. Cadet W. S. Hensman, to go home June 5, on account of sickness. Had two more examinations but took class last year and passed them then. So wishes to get out of them now. On motion of Mr. Riggs, this petition was refused.

2. Cadet H. R. Brown, to have work missed, on account of sickness, carried over till next year. On motion of Mr. Morrison, this was passed for practical work, with the understanding that it be made up during the 90-day examination period in September.

3. Cadet H. M. Hill, same petition. Granted on same conditions, on motion of Mr. Boedicker.
