The President requested the faculty to meet on Sunday and Tuesday of Commencement, in the President's office and march in a body to the stage in the chapel. The stage to be occupied by the faculty, the class speakers (on Sunday) and prominent visitors, the senior class on both days to occupy the front seats.

On motion of Mr. Daniel, the faculty adjourned at 6:05 A.M.

J. W. Lewis, Dean of Faculty.

Regular Meeting, June 4, 1903.

Called to order at 5:17 P.M. by the President.

Absent on roll call: Messrs. Reay, Bradley, Ryan, Strain, East, Fissell, Lunn, Johnson, Smith, Milne, Martin, Motley (excused),Spranger (sickness), Waller, Watson, Wright, Hunt (not met, not present).

The following petitions were considered:

1. Cadet W. A.Runnman, to go home June 5, on account of sickness. Has two more examinations but took class last year and passed them. wishes to get out of here now.

On motion of Mr. Riggs, this petition was refused.

2. Cadet O. R. Brown, to have work missed on account of sickness carried over till next year.

On motion of Mr. Morrison, this was granted for practical work, with the understanding that it be made up during the 8-day examination period in September.

3. Cadet H. M. Hill, same petition.

Granted on same conditions, on motion of Dr. Boreman.

Approved June 6th.
4. Cadet C. W. Robinson, same request. Granted on same conditions by vote of the Faculty.

5. Cadets W. J. Latimer, J. C. Well, J. B. Caldwell, and W. J. Bassin, to have time extended for make-up work. During discussion it developed that three cadets entered about the middle of the session, and the work on which they are behind is part of the 1st term's practical work. Granted by vote of the Faculty, with same conditions as above.

Exam. Com. 
Mr. Bassin, chair Examination Committee, reported as follows:

1. Petition of Cadet J. W. Stickleby for second examination in Shop. Chemical Laboratory. This is a renewal of a petition refused on recommendation of the Committee a short time ago (Apr. 16th), on the ground that the cadet is a very poor student, according to the instructors' reports, and a second examination would be useless. The Committee recommends that this petition be refused also. Adopted by vote of the Faculty.

Several other petitions that have been referred to the Committee refer to the refusal of examinations now in progress, and the Committee recommends that these and all similar petitions be deferred till examinations are through with, and the records made available. Adopted by vote of the Faculty.

Mr. Higgins, chair, Committee of Mechanical and Electrical departments, on exhibit at the St. Louis exposition in 1904, makes a report of progress, stating that exhibits can be offered from the United States, and from the divisions of Woodwork, Mechanic and Drawing.

The President states that the Committee on exhibits will be continued until the
matters in their charge are finally disposed of.

On motion of Mr. Lewis, the Schedule Committee was requested to prepare a schedule of examinations for the 6-day period preceding the opening of the College in September, as soon as the necessary data are available.

The President called the attention of the Faculty to the requirement of the by-laws adopted by the Board of Trustees that inventories of all departments shall be filed by June 6th. Some member stated that, as work continued through the 6th, compliance with the letter of the law became a physical impossibility.

The President announced that blank forms for special certification had been prepared, and are now available for students completing particular lines of work.

On motion of Mr. Daniel, the Faculty adjourned at 5:00 P.M. to meet at 2:00 P.M. on Saturday, June 6th.

J. Wilbur Lewis, Sec. F. Faculty.

1. Cadet E. P. Alford, to take special course in Civil Engineering next year, and to be allowed to examine in Physics and Mechanics, though willing to take these subjects over if thought best. (Habitate Jr., that twice)

Mr. Johnson moved to grant the request.

Mr. Lewis seconded the motion that he be allowed to enter the junior class in Civil Engineering, as a regular student, and that the request for examination be referred to the Examinations Committee. A substitute motion was made.

Mr. Morrison moved, as a substitute, to allow Cadet Alford to enter the junior class in Civil Engineering, with the privilege of becoming a regular student, the motion of reconsideration to be referred to the Examinations Committee in the usual manner.

This substitute motion carried.

2. Cadet R. A. Harvey, to complete next year the remaining subjects in the senior class, which he had not completed this year as an irregular student.

On motion of Mr. Rodin, the petition was granted by vote of the Faculty.

3. Cadet F. J. McCoy, to be allowed to enter the junior class without examination in English, as he passed it on this in 1900-01. On motion of Mr. Morrison, this was refused by vote of the Faculty.

The President announced that Dr. Kent would not be able to come to deliver the Commencement address, on account of sickness.

Dr. H. W. Evans

Mr. Daniel nominated Dr. Snyder, President of Wofford College, to take his place. Mr. Riggs nominated Hon. John Temple Howard, of Georgia. By vote of the Faculty, Dr. Snyder was elected, and Mr. Howard as alternate.

On motion of Mr. Bates, the President
On request to select other alternatives, if both of them decline. W. Mitchell asked permission to change the grade of Cadet J. W. Whitmore for November 1902, from 46 to 60, as work that had been omitted had now been satisfactorily made up. On motion of Mr. Board, the request was granted. Ed. Scott of the Faculty.

The President directed that the roll of the senior class be called by the Registrar, and request members of the Faculty to report any deficiencies, meeting as follows:

Cunningham, F. H., fail on class work in Mil. Sci.; 2d term.

Called to order by the President at 10 A.M.

Absents on roll call: Marcus Bradley, Gruffet, Hunter (excused), Moore, Newman, J.B., Walker.

Minutes of last meeting were read and approved.

The Commandant stated that Cunningham had met the requirements in Military Science, and thus removed the obstacle to his graduation.

The President presented a letter from Prof. A. Bigelow of Wofford College, expressing his regret that he was unable to accept the invitation to fill Mr. Kent's place at commencement.

The following applications were considered:

1. Cadet J.R. Foster, Chairman of Committee on Committee.
2. The Y.M.C.A. requested that representative of the faculty be appointed to speak at a reception for new students at the beginning of next session, at which all societies and associations will be represented.

Motion of Mr. Morrison the President was requested to represent the faculty on that occasion.

2 Cadet F.M. Dwight, to make up work next September.

Motion of Mr. Riggs that this and all similar requests be referred to the Examination Committee was lost.

Mr. Farmer moved the request be granted. During discussion it developed that Cadet Dwight was absent from exams in Agriculture on account of sickness, but no other deficiency was brought out. Mr. McLucas moved to amend by restricting to Agr. exams. Amendment carried. Motion is amended carried.

3. Cadet B.F. Hall, to postpone until September.
time be made up. Granted by vote of the faculty.

4. Cadet J.B. Caldwell, to be allowed to stand geometry examination missed on account of sickness, next September. Granted by vote of the faculty on motion of Mrs. Riggs.

5. Cadet L. Fields, to stand English and physics examinations next September. Granted by vote of the Faculty.

Mr. Nelson moved that all members of the freshman class below in Physiology be permitted to stand examinations in September.

Mr. Linno moved, as a substitute, that all students who missed examination on account of sickness be allowed to take examinations in the 3-day period at the opening in September. Carried by vote of the Faculty.

On motion of Mr. Reaves, all make-up work for May was ordered carried over until September, by vote of the Faculty.

On motion of Mr. Chamberlin, the President and Examination Committee be empowered to act on all applications for reenrollments next September, and that all failures be taken up and cited upon whether applications are submitted or not.

Mr. Strangeway requested permission to change the grade of F. J. Maxwell in military science for the 1st term from 54 to 62, because he had passed a good examination and had done well during the 2nd term. Granted by vote of the faculty.

The records of the various classes for the 1st term were taken up, and the Registrar called attention to blanks and interrogation points in the records of individual students for the purpose of having them answered and corrected.

The President announced the following:
Transactions of the Board of Trustees at the recent meeting:

1. Salaries have been adjusted so that Directors of departments receive $2,000, Professors $1,750, Assistant Professors $1,575, Assistants $1,200, instructors $900, assistants $700. In some cases additional amounts are paid from Experiment Station funds for extra duties in that department.

2. $40,000 appropriated for the erection of Agr Hall, Agricultural Hall, including a gymnasium and museum.

3. A number of special matters were acted upon, concerning the various departments, and directors will be duly notified.

4. A committee was appointed to look into all doubtful appropriations.

5. An expert accountant is to be employed to audit the books, instead of the usual committee of the Board.

6. Publication of a number of bulletins by the members of the faculty, the President being authorized to publish as editor of the Argus, such as would properly come under that head.

7. Department and division appropriations will be referred to the directors concerned.

8. The office building of the Argus is to be moved out of the way for the erection of Agr Hall.

9. Prof. Miller’s resignation was accepted, and Mr. Hale Houston was elected to fill the vacancy.

10. The Professor of mathematics was requested to draw the dike and make plans for its repair so as to control the river.

11. Beginning with this year, all newly elected probationary members of the faculty are elected for one year, and may be recalled at the end of that year.

12. A committee was appointed to look into...
The employment of labor at the College, maintain the labor roll steady as best for.

13. Inventories of divisions are required to be submitted by July 1st, instead of June 20.

14. The purchase of 5 acres of land from Mr. J. H. Lewis was authorized.

15. $1,000 appropriation was made for the library.

16. The report of the Chapel service committee of the faculty, recommending the employment of the best ministers obtainable, and now for the whole year, $1,200 were appropriated for this purpose, it being desired that, as far as possible, they will be drawn from within the state.

17. The entire water plant is to be improved for leaky and waste, and the President is directed to cut off the water from any private residence where it is being wasted.

The President also announced that applications had been received for more than twenty teachers' institutes.

On motion of Mr. Sommer, the faculty adjourned at 11:35 to meet at the call of the President.

J. Holley Lewis
Dean of Faculty.
