Regular Meeting July 26 1916

The faculty was called to order at 8 P.M. by the President with all present except Messrs. Styer, Lewis, Redfearn and Riggs.

The minutes of the called meetings of July 16th and 22nd were read and approved.

Mr. McIvor read a letter from Capt. J. C. Parks asking permission to stand examination in agriculture two months hence and to go on with the Soph class in the meantime. Mr. Parks was sent for by the President to appear before the faculty. It was found that Mr. Parks was behind in History, Agriculture, English, Woodwork. The question of his continuance in the Soph class was after considerable discussion left in the hands of the President.

Mrs. Tomkins presented a letter from Capt. D. O. Browne asking permission to change from Agricultural to Mechanical Junior.

On motion of Mr. Tomkins the faculty decided that Capt. Browne be not allowed to change from agricultural to mechanical or vice versa after the beginning of the Soph year, directly to an inquiry of Mr. Wyman regarding special courses, the President announced that the Board of Trustees had passed a resolution allowing special students at the discretion of the faculty. It was the sense of the faculty that such a resolution was not to be drawn up in the form of a motion, that such special students be required to live outside of the Barracks, and not be allowed to board in the Barracks.

On motion of Mr. Morrow the faculty adjourned at 9 20 P.M.

P.M. Bracken Lee.
