Regular Meeting April 11/96

The faculty was called to order by the President at 8:04 AM. Absent on call were: Messrs. Brodie, Lewis McKee, Redfern & Wyman. Late were: Messrs. Lewis McKee & Brodie.

Mr. Tompkins mentioned matter of division of sections in freshman classes.

Mr. Fuller called the attention of the President to the application for work during study hours. The President, referring to the record in the College said he would see no objection to such work provided the candidate was well up in all studies.

The President announced that the marks for the month ending March 31/96 would be made at the next meeting—regular meeting of the faculty April 11/96.

The President presented a petition from Joseph S. Sanders, sophomore, requesting to be allowed to change from mechanical to agricultural sophomore. The petition states that Joseph Sanders had been back at college only two weeks so that he was practically beginning the sophomore year. On motion of Mr. Fuller (second of Mr. Tompkins) the petition was granted.

On motion of Mr. McKee (second Tompkins) the faculty adjourned at 8:20 PM.

Mr. Tompkins, Secy. Faculty

Approved April 11/96.
Regular Meeting April 15, 1896

The faculty was called to order by the President at 8:00 am, with all present except Mr. Fuller.

A petition was presented through Mr. Atchison to the Cadet, A. P. Smith, Junior Class, asking permission to take a special course. The President decided that it would be best for him to communicate with Cadet Smith's father before the faculty took action on the petition. Mr. Tompkins reported progress on division of Fresh- and Sophomore Classes for mechanical work. That also included dividing the difficulty.

Mr. Lewis brought up the subject of the Chicago Exposition and advocated having collections for State exhibits made through the College Department. The President thought we had not enough to get up a creditable exhibit at Chicago. Mr. Lewis also mentioned that a State convention in regard to the Chicago Exposition was advanced to meet in April 15th. Mr. Bodie moved (2d by Mr. DuBois) that Mr. Lewis be appointed to represent the College at the Exposition. Mr. Niele offered an amendment that if it be advisable the President be requested to appoint a delegate (2d by Mr. Childs). Said.

On motion of Mr. Childs, seconded by Mr. McCue, the faculty proceeded to make out report of march for month ending March 31, 1896.

R. N. Bracken
Dean Faculty.
Regular Meeting April 15th

The faculty was called to order by the President at 8 in absentia. Messrs. Fuller, Hart, Redfern, Knight, and Mr. Regrett. The minutes of the last meeting were read and approved.

The President reported having written to the head of the Petition of Capt. O.P. Smith's father, but no official action was taken on the petition of Capt. Smith.

A petition was presented through the Secretary by Capt. W.F. Walker requesting that he be allowed to change from Mechanism to Agricultural Sophomore Course in order to take Veterinary Science and Chemistry. The President stated that he had talked to Capt. Walker on the subject and thought it desirable to let him make the change. On motion of Mr. Clark, the petition was granted.

On behalf of the Committee on Schedule, Mr. Dempsey reported that the work of dividing (Mechanical) Buchanan & Phelps' work for mechanical work had been completed satisfactorily. As there was no copy of the modified schedule to present to the faculty, the President thought it advisable to meet tomorrow and consider the changes in schedule. On motion of Mr. Clark (seconded by Mr. McGee), it was resolved that the faculty meet tomorrow at 5 P.M. to consider the changes in schedule.

On motion of Mr. Morris (seconded by Mr. Dempsey), it was resolved that the Regular Meeting of the Faculty be held at 8:30 A.M. instead of 8:30 in absentia.

On roll call regarding the conducting of dining room service, Messrs. Faur and Murnan were appointed, Messrs. Fuller, Hart, Christian, and Murnan were absent. Appointed on motion of Mr. Christian. R. A.
