Saturday, March 21, 1895.

The President called a meeting of the faculty at 3 P.M. All were present except Messrs. Blythe, Morrison, Shanklin, and Strode. Cadet J. E. Davis asked to be allowed to try the Sophomore class, but upon Mr. Pomfret's motion, it was decided that he be required to pass the examinations in order to enter it. The President read a letter from Prof. Strode resigning his position as senior member of the faculty so far as seniority is concerned.

Upon Mr. Clinton's motion, it was agreed that Cadet Hamilton be allowed to go on with the Sophomore class provided he passes his examination in chemistry at some future time.

Upon Prof. Purman's motion, it was decided that Cadet J. G. Smith be required to try his examinations in mathematics, but if he fails he will be allowed to go on with the Sophomore class upon condition that he pass the examination later on.

Upon Mr. W. W. Welch's motion, it was agreed that each professor copy his report for the previous month in the Students' Record Book. But, after examining the book, the agreement was revoked and upon his motion a committee of three was appointed to report a plan for keeping the records of the students. Messrs. Clinton, Harriett, and W. W. Welch were appointed.

Upon Mr. Clinton's motion, the faculty agreed to meet on Wednesday evenings at 8 o'clock.

The faculty adjourned at 5:25.

Object to being approved March 20 by
Morrison on account of not knowing
but adopted by a vote of the faculty.
March 27, 1895.

The faculty met and was called to order by the President at 8 P.M. with all present except Messrs. Clinton, Donaldson, and Stark.

The minutes of the last meeting were objected to by Mr. Morrison because no quorum was present, but upon Col. Hardin's motion they were approved. Messrs. Morrison and Clinton cast voting "No." Upon motion of Mr. O. W. Wills this motion at the last in regard to sending out reports, was reconsidered; and it was then decided, upon his motion, that the first reports be made out for the 5 weeks ending March 27th.
