Narrative of Activities

Continuing Activities:

Due to the shift in committee leadership, the CEC spent the spring 2010 regrouping and conducting a brief audit of current committee activities.

Continued projects include the ongoing revision and updating of the CEC manual, including the addition of the information about the web liaison.

At the request of the board, the CEC is also working with the Program Planning Committee to submit a proposal to the board about better ways to promote the contributions of NASIG's membership in continuing education programs and also to share the content of these contributions with the membership as a whole.

The CEC has received a proposal for the annual Mississippi State University e-resources symposium that NASIG has supported in the past, to be held in September 2010. The CEC has submitted the proposal to the Board for review.

Completed Activities:

Jayne and Kelli worked with the board's Telecommunications Task Force to test Skype. It was decided that since not all institutions allowed for Skype, we will continue with our current service. However, committees are encouraged to use Skype whenever possible.
