Called Meeting Oct 5th 1874.

The Faculty was called to order by the President at 12:45 PM. Abent: Messrs. Chandler & Aiken. Present: Messrs. Brackett & Hart.

The President stated the object of the meeting: that he might suggest the reconsideration of a petition granted the Palmetto Society to hold a dance in the hall of third floor main block. The President stated the reason for this action on the part of the Board of Trustees, empowering Prof. Craighead to act in special cases, clearly not meant such power to be permissive in the Board. The President therefore interjected the resolution to mean that neither Board nor Faculty had the power to grant the petition of the Palmetto Society or any similar petition, unless given power to do so in each special case by the Board of Trustees.

On motion of the Alumnus (D.C. Gervais), the resolution granting permission for the petition of the Palmetto Society was rescinded.

The whole matter of granting the petition of the Palmetto Society was then left in the hands of the Board on motion of the Alumnus (D.C. Gervais).

The faculty adjourned on motion at 12:50 PM. R.M. Brackett, Sec.
