Activities

The committee started off the 2010/2011 year with the routine business of maintaining the *Directory*. The committee invoices members due for renewal, sends renewal reminders, deactivates and reactivates members as needed. The committee informs Membership Development of members needing an additional renewal reminder and informs the *Newsletter* of new members to be welcomed to the organization. The committee also responds to numerous inquiries for password reminders and general questions about renewals.

The chair and vice chair are in the process of dividing up these directory-related tasks, as well as considering database maintenance needs.
