Gee Makes Touchdown

FLORIDA DEFEATED—55 TO 7.

Clemson overwhelmed the University of Florida last Saturday at Jacksonville by the score of 55 to 7. The first meeting between these two institutions for many years, and if we never have the opportunity to play them again, we will fondly remember the game. The season’s heroes were the players in blue and white, and the players in orange and black. The former scored 55 points and the latter 7. The game was played in the usual manner, with the exception of the last quarter, when Florida made two touchdowns. The first was scored by Bartles, who hit the line and went through for a touchdown. The second was scored by Witsell, who hit the line and went through for a touchdown. The game was played in the usual manner, with the exception of the last quarter, when Florida made two touchdowns. JOY REIGNED SUPREME

The Junior Dancing Club gave its first dance of the season last Friday and Saturday evenings in the college gymnasium, and they proved to be all that was expected, by curing all large audiences. These were the first dances given by the class of ’19 since their arrival in school, and if they live up to the good reputation that they have started, there will be some class dances staged by this class before they leave college.

The ball was simply but artistically decorated with the class colors, blue and white. The windows were draped in blue and white strips and filled with pots of plants, while the walls were covered with flags that will wave triumphant when the Kaiser is licked! At each end of the hall was to be seen a blue electric light bearing the class numerals, number of which was placed across whose lights that helped to lend a military air to the occasion. The handsome evening gowns of the ladies lent color and beauty to the atmosphere. During some of the slower dance the ladies danced in gowns that helped to lend a military air to the occasion. The decorations were designed and put up by captain W. M. Barnes with the assistance of W. B. Mayes, R. F. Smith, A. H. Martin, F. H. Leslie and M. P. McNaught.

The music was furnished by Bobbie Whitelock’s orchestra, and no kicks were heard on the band of music that they put forward.

It was the uniting efforts of R. C. Trickey, president of the club, W. M. Barnes, vice-president and J. H. Roberts.

Furman boys enjoyed a delightful evening at the Cosmos Club, when the annual Senior-Junior Reception was given. Swift's orchestra gave an excel-lent program of opera-symphonic music, ter-minally to the charm of the evening. Fur-man has one drawing card—"a” near O. W. L. T. B. B. The Chronicle is sequel to the Journal and has been repre-sented at the Carolina Hotel.

The following officers were elected: Literary Critic, M. W. Heiss; Prosecuting Critic, L. H. Gilmore; Be-coming Secretary, J. C. Cavour; Corresponding Secretary, H. C. Sanders; Censure, O. F. Coringin and R. C. Grooms. After hearing reports from various com-mittees the society adjourned.

To the Corps of Cadets:
The members of the 1917 football team of Clemson College wish to express their appreciation to the corps, thus their manager, their sincere thanks and gratitude to the Corps for their kind and generous gift of the blankets. Such a manifestation of interest and thoughtfulness only strengthens our determination to give our ALL for Clemson. We want every cadet to feel that this is HIS team, that we are not selfish-ly struggling for individual eminence, but that we are working in one team for common victory. O. R. Conlee. The team's vic-tories are your victories. Our motto is: FOR ALL AND THAT ALL IS S. A. Black. Miss Toy Hopper

The Domestic Art Department at Win- ter Springs in cooperation with the Red Cross Organization this year. The students in their regular class work are making pyjamas, bath robes, and bed shirts for hospital use. The Red Cross has already furnished 6,072 yards of material and another shipment is just on the way. A total of 1,045 garments are being made.

The entertainment or elimination of ex- pensive activities during this time of stress is a serious problem. The Win- ter Springs Junior and Senior students have answered it by voting to give up their most important social function, the Jun- ior-Senior Homecoming and devote the money saved to the Students’ Friendship War Fund. Besides this they have decided not to have any college weekly, and to get out a poor book instead of “The Tattler.” Our “sisters” certainly are doing their bit towards saving for the war.

CALHOUN LITERARY SOCIETY.

The society was called to order by the president, Mr. Faust and led in prayer by the chaplain, Mr. Pitzer. After the roll call and the reading of the minutes of the last meeting the election of senior officers for the remaining terms and junior officers for the second term was taken up.
