Item 7. Rules and Regulations Relating to Certification of Seeds and Plants

Statement: Under the provisions of 3-442, Code of Laws of South Carolina, 1962, the Board of Trustees is authorized to promulgate rules and regulations relating to certification of seeds and plants. The South Carolina Crop Improvement Association and the South Carolina Foundation Seed Association, together with the Department of Seed Certification, College of Agriculture and Biological Sciences, have recommended approval and adoption of rules and regulations relating to seed certification as more fully appears in pages 9 - 83 inclusive of a manual dated October 3, 1966, prepared and submitted by the South Carolina Crop Improvement Association and the South Carolina Foundation Seed Association through the Department of Seed Certification, Clemson University.

Recommendation of the Agricultural Regulatory Committee: That the proposed rules and regulations as appear in pages 9 through 83 inclusive of the manual dated October 3, 1966, be approved and adopted.

Board Action: Approved and adopted.

Item 8. Names of Campus Buildings and Streets

Statement: With continuing physical growth of the Clemson campus there have been increasing needs and demands from students, faculty, and others for appropriate names to designate various buildings and streets. A committee of nine faculty and staff members, appointed by President Edwards to make recommendations in this field, submitted to him a report and recommendations, dated October 25, 1966, which was contained in the Informational Report submitted to the members of the Board of Trustees.

Recommendation of the Development and Public Relations Committee: That the recommendations of the Committee on Names of Buildings and Streets be approved.

Board Action: Approved.
Item 9. Continuation of Frank P. Morris as Lecturer in Architecture

Statement: The Board has allowed the Administration to retain Mr. Frank P. Morris as a lecturer in the School of Architecture during the current fiscal year, although he has passed the retirement age limit of 65 years. Mr. Morris is in excellent health and continues to be a respected and able teacher in the field of Building Construction. His continued retention as a lecturer is advantageous to the University.

Recommendation of the Educational Policy and Student Affairs Committee: That Mr. Frank P. Morris be allowed to continue in employment with the University for the fiscal year, July 1, 1967 - June 30, 1968, as a lecturer in Architecture.

Board Action: Approved.

Item 10. Six-year Curriculum in Architecture

Statement: The School of Architecture administers five-year professional curricula leading to the Bachelor of Architecture degree in both design and structural options, the first three years being common to both curricula. The School also has the responsibility for administering a five-year professional program in building construction leading to the Bachelor of Building Construction degree. At present, the School of Architecture also administers graduate studies leading to the Master of Architecture degree.

Consistent with national studies conducted by the American Institute of Architects and by the National Architectural Accrediting Board, professional programs in architecture will in the future be expanded from five to six years to provide a better education in the liberal arts to prospective architects.

The faculty of the School of Architecture at Clemson proposes the adoption of a six-year curriculum in architecture, beginning with the academic term 1967-68. After four years of the six-year program, students would be given a Bachelor of Arts degree in pre-architecture and, following two intensive, additional years of professional training, would receive the first professional degree, which would be the Master of Architecture. The curriculum has been formally approved by the Curriculum Committee of the University, the Graduate Council, insofar as graduate courses and curricula are concerned, and by the Educational Council.

Recommendation of the Educational Policy and Student Affairs Committee: That the curriculum be approved.

Board Action: Approved.
Item 11. Secretary of the Board of Trustees

Statement: On October 29, 1965 the Board designated Dr. J. K. Williams to perform the duties of the Secretary of the Board of Trustees in the absence or inability to act of the regularly appointed Secretary of the Board of Trustees. Dr. Williams is no longer employed by the University. Another alternate should be so designated.

Recommendation of the Executive Committee: That Dr. Victor Hurst be authorized and empowered to perform the duties of Secretary of the Board of Trustees in the absence or inability to act of the regularly appointed Secretary of the Board of Trustees.

Board Action: Approved.

Item 12. Amendment to Bylaws Providing for Succession to the Presidency

Statement: Article III, Section 2, of the Bylaws provides in pertinent part for a President Pro-tempo to perform the duties of President on call of the Board. This is a cumbersome procedure requiring the convening of the Board without identifying the person or committee responsible for taking the initiative. It is believed a more precise method of automatic succession is desirable.

Recommendation of the Executive Committee: That the last sentence of Article III, Section 2, be amended to read as follows:

At the request of the President of the Board, or in his absence, inability to act, or death, the Chairman of the Executive Committee shall discharge the duties of the office as President Pro-tempo.

Board Action: Approved.

Item 13. Increase in Student Medical Fee

Statement: In order to serve a student body of 5,500 it was necessary to add another physician to the staff of the Student Health Service. In order to comply with laws regulating dispensing drugs, a pharmacist must also be employed. It has been necessary to make substantial increases in nurses' salaries in order to meet competition in the Clemson labor market. Drugs and supplies have increased in price and the quantity necessary to serve a larger student body is substantially greater. Such an increase in
personnel and operational cost cannot be financed from the present medical fee of $15.00 a semester. An increase of $3.00 a semester will maintain the medical services on a self-sustaining basis and continue to provide the services needed.

Recommendation of the Executive Committee: That the medical fee be increased, effective with the fall semester 1967-68, from $15.00 to $18.00 a semester. Based on these charges, it is further recommended that the summer session medical fee be increased from $.85 to $1.00 per week, effective with the summer of 1967.

Board Action: Approved.

Item 14. Trunk Sewer Improvements -- Hunnicutt Creek Drainage Basin

Statement: Proposed trunk sewer improvements in the Hunnicutt Creek Drainage Basin to provide facilities for future campus expansion are estimated to cost $135,000.00. The University may apply for a grant of $40,500.00 from the Department of Interior. Authority to apply and designation of the person authorized to sign the application for the University must be established by formal resolution.

Recommendation of the Executive Committee: That the following resolution be adopted:

WHEREAS, the Federal Water Pollution Control Administration, Department of Interior is authorized to grant funds for the construction, rehabilitation and improvement of sewage treatment works; and

WHEREAS, the Board of Trustees of Clemson University is cognizant of the conditions under which such grant funds are made available and approved for payment to an applicant; and

WHEREAS, it is the sense of the Board of Trustees of Clemson University that it is desirable to apply for a grant under the provisions of 33 U.S. Code 466 et seq. for the project described as Trunk Sewer Additions in the Hunnicutt Creek Drainage Basin;

NOW, THEREFORE, BE IT RESOLVED that an application for the project described above is authorized and directed to be filed for the purpose of receiving a grant of funds under the aforementioned act;
November 25, 1966

BE IT FURTHER RESOLVED that the Board of Trustees of Clemson University designates Robert C. Edwards, President, Clemson University, as the person authorized to file the application and act as the representative of Clemson University in connection with said application.

Board Action: Approved.

Item 15. Litigation against Craig Construction Company and Kahn Construction Company

Statement: In 1961 action was instituted by the Board of Trustees against Craig and Kahn Companies by reason of their failure to execute a contract pursuant to bid for construction of two dormitories. On November 10, 1961 the Executive Committee was authorized by the Board to make decisions relating to final settlement. The Attorney General, representing Clemson University, recommended settlement of the two actions on the payment of $1,000 from each of the two defendants. On April 1, 1966 the proffered settlement and the recommendation of the Attorney General was submitted to the Executive Committee and the Executive Committee unanimously approved the settlement. Thereafter Consent was executed by the Attorney General and the Vice President for Business and Finance, Clemson University on behalf of the Plaintiff.

Recommendation of the Executive Committee: That the action of the Executive Committee by mail ballot approving the settlement and the execution of the Consent on behalf of Clemson University by the Vice President for Business and Finance be approved and confirmed.

Board Action: Approved and confirmed.

Stanley Smith and Sons, Cayce, South Carolina was the low bidder on the base bid and Alternates 1 and 2 for the Tobacco Mechanization Research Building at the Pee Dee Experiment Station in the amount of $13,321.00 and E. C. B. Construction Company, Sumter, South Carolina for the construction of the Tobacco Headhouse in the amount of $15,117.00.

Statement: In 1962 the Board of Trustees conveyed to the Florence-Darlington County Commission for Technical Education approximately ten (10) acres of land in Florence County for the operation of a technical education and training center. The Commission has requested an additional fourteen (14) acres of land contiguous to that it now possesses to permit expansion of the physical facilities of the center. Included in the lands desired is an old swimming pool, the right of use of which will be retained by the University for irrigation purposes, with a right to construct and maintain water lines across the lands involved to adjacent University lands. The property will revert to the University if it ceases to be used as a technical education and training center. At the meeting of the Board June 21, 1966 informal agreement was given to the conveyance of the land. On October 7, 1966 the President of the Board executed a transfer of title to the Florence-Darlington County Commission for Technical Education.
Recommendation of the Executive Committee: That the transfer of approximately 14 acres of land subject to reversion and irrigation rights of the University and the execution of the deed, dated October 7, 1966, by the President of the Board of Trustees be approved and confirmed.

On May 2, 1966, pursuant to that approval, the President of the Board of Trustees executed the easement.

Recommendation of the Executive Committee: That the action of the Executive Committee in authorizing the granting of the easement in Anderson County in favor of the Three and Twenty Creek Water Shed Conservation District and the execution of the easement by the President of the Board of Trustees on May 2, 1966 be approved and confirmed.

Board Action: Approved and confirmed.

Item 20. Right-of-Way Easement on Road S-528, Barnwell County

Statement: At the request of the State Highway Department a right-of-way easement was granted on May 18, 1966 to the Department for the purpose of surfacing Road S-528 adjacent to the Edisto Experiment Station in Barnwell County.

Recommendation of the Executive Committee: That the execution of the easement in favor of the State Highway Department by the President of the Board of Trustees on May 18, 1966 be approved and confirmed.

Board Action: Approved and Confirmed.

Item 21. Right-of-Way Grant to Carolina Pipeline Company in Florence County

Statement: The Carolina Pipeline Company requested a right-of-way grant across a portion of the Tobacco Station in Florence County. Payment is at
the rate of $300.00 per acre. The University retains the right of use of the surface of the land for cultivation. The Executive Committee approved by mail ballot the granting of the right-of-way and the President of the Board of Trustees executed a grant of right-of-way on September 5, 1966, which was delivered to the Company.

Recommendation of the Executive Committee: That the action of the Executive Committee in approving the grant of right-of-way and the execution of the right-of-way grant on behalf of the University by the President of the Board of Trustees be approved and confirmed.

Recommendation of the Executive Committee: That the action of the President of the Board of Trustees in executing a deed for approximately 1.5 acres of land in Anderson County in favor of Standard Corporation be approved and confirmed.

Board Action: Approved and confirmed.

Item 23. Property in Pickens County Claimed by Misses Jessie and Jennie Morgan

Statement: Some time prior to 1954 the United States acquired lands in Pickens County from J. L. Love abutting lands owned by Misses Jessie and Jennie Morgan. In deeding these lands to the United States the boundary line between the Love and Morgan properties was erroneously defined, and included approximately 2.69 acres of the Morgan property. In 1954 the lands were deeded by the United States to Clemson University and using the erroneous description, thereby purportedly conveying a portion of the Morgan property to the University. A survey has satisfied the Administration of the error in title.
Recommendation of the Executive Committee: That, in order to remove
the cloud on the title of property belonging to Misses Jessie and Jennie
Morgan, a quitclaim deed be executed by the University in their favor,
conveying the 2.69 acres of land in question.

Board Action: Approved.

Item 24. Transfer of Lands to Old Stone Church and Cemetery Association, Inc.

Statement: In 1953 the Old Stone Church and Cemetery Association, Inc.
acquired from the United States of America an easement for burial pur­
poses of approximately 1.5 acres of land. On December 22, 1954 Clemson
University acquired several thousand acres of L.U. Land from the United
States of America, including the parcel subject to the easement for burial
purposes above mentioned. On June 26, 1959 the Board of Trustees
authorized the transfer of 1.23 acres of land contiguous to the land that
the Association was utilizing under easement, but a deed was never exe­
cuted in favor of the Association. The directors of the Association have
now requested an additional 1.11 acres of land to straighten out the boundary
lines of their Association properties for burial purposes, with the advice
that this is the extent of expansion that the Association desires. The Director
of the Experiment Station advises that the land involved has no significant
value in the agricultural program.

Recommendation of the Executive Committee: That title be conveyed to the
Old Stone Church and Cemetery Association, Inc. of 3.84 acres of land
adjacent to the church property, which will include the parcel now utilized
under perpetual easement from the United States in favor of the Association,
the 1.5 acres that was authorized to be deeded to the Association in 1959
and the additional 1.11 acres now desired to straighten out their property
lines, subject to a reversionary clause in favor of the University in the
event the property ceases to be used for burial purposes.

Board Action: Approved.

Mrs. Hill was notified to vacate the premises not later than that date. It now appears that to require her to move at this time would cause an unnecessary hardship. She has requested an extension of the time to vacate to a period not later than December 31, 1967. The extension will not cause any inconvenience to the University.
Recommendation of the Administration: That the tenant, Mrs. W. D. Hill, be permitted to vacate the premises and terminate the lease at such time as meets her convenience, but no later than December 31, 1967.

Board Action: Approved.

Item 29. Building Site for Church of Christ

Statement: The Church of Christ of Seneca, South Carolina desires to relocate its church, and in view of the large percentage of faculty and students of the University in the membership, desires to locate nearer Clemson. They have submitted a request to purchase approximately five acres of land on Highway 123, adjacent to the land which was made available to the Piedmont Presbytery, with the understanding that if a sale of land is consumated it will be subject to a reversionary clause in favor of the University, in the event the property ceases to be used for church purposes.

Recommendation of the Administration: That the Administration be authorized to negotiate a location and sell approximately five (5) acres of land to the Church of Christ, Seneca, South Carolina, at three hundred ($300.00) dollars per acre, with the proviso that the land shall be repurchasable by the University at the sale price in the event the property is not utilized for church purposes.

Board Action: Approved.

Item 30. Building Site for Episcopal Church

Statement: The Trustees of the Protestant Episcopal Church in Upper South Carolina desire to acquire lands for the purpose of expanding their present facilities in the Clemson area by either moving Holy Trinity Episcopal Church to a new site or establishing an additional parish. They have submitted a request to purchase approximately ten (10) acres of land on such site as may be made available by the University, with the understanding that if the sale of land is consumated it will be subject to the right of the University to re-purchase the land at the sale price in the event the property ceases to be used for church purposes.

**Recommendation of the Administration:** That the Administration be authorized to negotiate with the Officials of Oconee County for the location and sale of such acreage as may be mutually agreed upon and located in Oconee County for the purpose of constructing public school facilities, with the restriction that if the property is not utilized by Oconee County for the construction and operation of a public school, the University shall have the right, at its discretion, to re-purchase the property at the sale price paid by Oconee County.

**Board Action:** Approved.

**Item 32. Disposition of Old Buildings and Structures**

**Statement:** The orderly development of University lands requires from time to time the disposition of old buildings such as garages, sheds and houses when the cost of repair or of desirable relocation would not represent a sound investment.

**Recommendation of the Administration:** That authority be granted to the Administration in its discretion to dismantle and/or dispose of such buildings and structures when necessary repairs or desirable relocation is determined to be uneconomical.

**Board Action:** Approved.

**Item 33. Extension of Time for Payment of Note Due December 15, 1966**

**Statement:** A note maturing December 15, 1966 was authorized by action of the Board on March 9, 1966, as a temporary financing pending issuance of bonds for Residence Halls Nos. 12 and 13. Delay in the issuance of bonds pursuant to loan agreement with the Department of Housing and Urban Development requires the extension of the note to March 15, 1967.

**Board Action:** On motion of Mr. Robert R. Coker, seconded by Mr. E. Oswald Lightsey, the following resolution was unanimously adopted with eleven members present and voting for adoption:
WHEREAS, heretofore by Resolution adopted by the Board of Trustees of Clemson University on the 9th day of March, 1966, a Bond Anticipation Note of Clemson University in the principal sum of $975,000, bearing interest at the rate of 2.85%, was issued and sold to The First National Bank of South Carolina, Clemson, South Carolina, in anticipation of the issuance of $1,300,000 of Revenue Bonds of Clemson University pursuant to Act No. 456 of the Acts of the General Assembly of the State of South Carolina for the year 1961, Approved March 29, 1961, and

WHEREAS, said bonds are to be issued pursuant to a Loan Agreement between Clemson University (Clemson) and the Department of Housing and Urban Development of the United States, and

WHEREAS, delays beyond the control of Clemson have arisen in the issuance of said bonds, and it now appears that their delivery will not take place on December 1st, 1966 as scheduled and that it is likely that said delivery will be postponed as long as ninety days, and

WHEREAS, following advices that the issuance of the bonds will be delayed, arrangements have been made with the holder of the Note to extend the time for payment from December 15, 1966 to March 14, 1967 (with the right to anticipate the payment upon the delivery of the bonds should such occur prior to March 15, 1967), with interest from the maturity of the Note, viz., December 15, 1966 to the date on which the said Note shall be paid, at the rate of 3.85% per annum, in lieu of that originally specified, and

WHEREAS, in view of general rise of interest rates, such arrangement is deemed satisfactory,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF CLEMSON UNIVERSITY:

1. That an extension agreement in the form herewith annexed as Exhibit A, extending the maturity of the Note above described from December 15, 1966 to March 15, 1967, be and the same is hereby authorized and approved.

EXHIBIT "A"

STATE OF SOUTH CAROLINA, ) ACKNOWLEDGMENT OF EXTENSION
COUNTIES OF OCONEE AND PICKENS.) OF MATURITY DATE OF BOND
ANTICIPATION NOTE

ARTICLE I

FINDINGS OF FACT

WHEREAS:

1. Heretofore pursuant to Act No. 116 of the Acts of the General Assembly of the State of South Carolina for the year 1965, CLEMSON UNIVERSITY (Clemson) borrowed from The First National Bank of South Carolina the sum of $975,000 and evidenced the same by a Note of Clemson, payable to The First National Bank of South Carolina, Clemson, South Carolina, in the amount of $975,000, dated May 16, 1966, which was expressed to mature on December 15, 1966.

2. On the occasion that the loan was made and said Note was delivered, it was anticipated that the bonds, in anticipation of whose proceeds the loan was made, would be delivered on or before December 1, 1966. Due to delays beyond the control of Clemson, the issuance of the bonds, in anticipation of which the said Note was issued, has been delayed and it is now anticipated that the bonds will be delivered on or about March 15, 1967.

3. By reason of the foregoing, it is necessary that Clemson secure an extension of the loan until March 15, 1967. Arrangements have now been made with The First National Bank of South Carolina, Clemson, South Carolina, by which it has been agreed that the maturity date of said Note shall be extended from December 15, 1966 to March 15, 1967 (with the right being reserved to Clemson to anticipate the payment upon the delivery of the bonds should such occur prior to March 15, 1967), and the said Note shall bear interest from December 15, 1966 to the date on which the said Note shall be paid, at the rate of 3.85% per annum, in lieu of that originally specified, and it is the purpose of this document, which has been duly authorized by Resolution of the Board of Trustees of Clemson, to evidence the said extension agreement and to reaffirm the obligation of the said Note, both principal and interest, upon the delivery of the bonds of Clemson on or before March 15, 1967.
ARTICLE II

ACKNOWLEDGMENT OF EXTENSION OF MATURITY DATE

1. Clemson acknowledges the arrangements above recited, wherein the maturity date of the Note above described in Paragraph 1 of Article I has been extended from December 15, 1966 to March 15, 1967, and hereby reaffirms its obligation to make payment to The First National Bank of South Carolina, Clemson, South Carolina, in the amount of $975,000, with interest thereon from the date of said Note until December 15, 1966 at the rate of 2.85% per annum, and thereafter from December 15, 1966 until paid at the rate of 3.85% per annum.

2. Save and except as herein amended, said Note and the obligation of Clemson evidenced thereby, shall remain of full force and effect.

IN WITNESS WHEREOF, CLEMSON UNIVERSITY has caused these presents to be duly executed in the name of and on behalf of the University, and the Seal of the Board of Trustees affixed hereto, this day of ___________ A. D. 1966.

in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, and to pay interest on the balance of said principal sum from time to time remaining unpaid, from the date of the delivery of this Bond (as established by the certification endorsed hereon), in like coin or currency, at the rate of three per centum (3%) per annum, payable on the first days of January and July of each year thereafter, until the principal amount hereof has been paid. Payment of the principal installments and interest due shall be made at the State Treasury, in the City of Columbia, South Carolina (the Paying Agent). Payments of principal and interest, including pre-payments of installments of principal as hereinafter provided, shall be noted on the Payment Record made a part of this Bond, by the Paying Agent and written notice of the making of such notations shall be promptly sent to Clemson by the Paying Agent, and such payment shall fully discharge the obligation of Clemson hereon, to the extent of the payments so made. Upon final payment of principal and interest, this Bond shall be submitted to the Paying Agent for cancellation and surrender to Clemson.

This Bond, designated as "Clemson University Student and Faculty Housing Revenue Bond, Series A," (the Bond), limited to an aggregate principal amount of Two Million Six Hundred Twenty Thousand Dollars ($2,620,000), is issued pursuant to resolutions (the Bond Resolution) duly adopted by the Board of Trustees of Clemson (the Trustees), and under and in full compliance with the Constitution and Statutes of the State of South Carolina, including particularly an Act of the General Assembly of the State of South Carolina, entitled "AN ACT TO AUTHORIZE THE BOARD OF TRUSTEES OF THE CLEMSON AGRICULTURAL COLLEGE OF SOUTH CAROLINA TO ACQUIRE ADDITIONAL STUDENT AND FACULTY HOUSING
FACILITIES; TO EMPOWER THE BOARD OF TRUSTEES TO EFFECT LOANS FOR SUCH PURPOSES, THROUGH THE ISSUANCE OF REVENUE BONDS AND ALSO FOR THE PURPOSE OF REFUNDING OUTSTANDING BONDS PAYABLE FROM THE REVENUES DERIVED FROM STUDENT AND FACULTY HOUSING FACILITIES, THROUGH THE MEANS OF THE AUTHORIZATIONS OF THIS ACT; TO DEFINE THE PROCEDURE BY WHICH SUCH LOANS MAY BE EFFECTED AND THE COVENANTS AND UNDERTAKINGS TO SECURE THE LOANS; TO MAKE PROVISION FOR THE PAYMENT OF LOANS; AND TO DECLARE VALID CERTAIN BONDS HERETOFORE ISSUED FOR ANY OF SUCH PURPOSES," Approved the 29th day of March, 1961, as amended (the Enabling Statute), to obtain funds to refund, through means of exchange, $2,620,000 of bonds of Clemson now outstanding.

As provided in the Bond Resolution, this Bond is exchangeable at the sole expense of Clemson, at any time upon ninety days' notice, at the request of the registered owner hereof, and upon surrender of this Bond to Clemson at the office of the Paying Agent, in the City of Columbia, South Carolina, for negotiable coupon bonds, payable to bearer, registrable as to principal only, of the denomination of $1,000 each, in the aggregate principal amount equal to the unpaid principal amount of this Bond, and in the form of such coupon bond as provided for in the Bond Resolution.

In addition to the installments of principal required to be paid by Clemson as hereinabove set forth, Clemson shall have the right to prepay on any interest payment date the entire principal amount hereof then remaining unpaid, or such lesser portion thereof as it may determine upon, in inverse chronological order of said installments and in multiples of $1,000, at a price of par, plus accrued interest to the date of such payment, plus a redemption premium equal to one-half of one per centum of the principal amount redeemed for each year or fraction thereof, from the date of redemption to the date of the maturity of such principal amount so redeemed, but such redemption premium shall not exceed three per centum (3%) of the principal amount so redeemed.

Notice of any such optional prepayment shall be given at least thirty days prior to the prepayment date by mailing to the registered owner of this Bond a notice fixing such prepayment date and the amount of principal to be prepaid.

This Bond may be assigned and upon such assignment the assignor shall promptly notify Clemson at the office of the Paying Agent by registered mail, and the assignee shall surrender the same to the Paying Agent either in exchange for a new fully registered bond or for transfer on the registration records and for verification of the endorsements made on the Payment
Record attached hereto, of the portion of the principal amount hereof and the interest hereon paid or prepaid, and every such assignee shall take this Bond subject to such condition.

Both the principal of and interest on this Bond are payable from the entire revenues derived by Clemson from all student and faculty housing facilities which it may now or hereafter possess, as the same are defined in the Bond Resolution, and, to the extent prescribed by the Bond Resolution, such revenues are irrevocably pledged to the payment of the principal of and interest on this Bond. Neither the faith and credit of the State of South Carolina, nor of the Trustees is pledged to the payment of either the principal of or interest on this Bond, nor shall any member of the Trustees, or any other person signing this Bond, be personally liable hereon.

The Bond Resolution permits the issuance of additional bonds by Clemson, payable from the revenues pledged to the payment of this Bond, and such bonds, if issued in accordance with the provisions of the Bond Resolution, shall rank equally and be on a parity with this Bond. Provision has now been made for the issuance of $4,200,000 Clemson University Student and Faculty Housing Revenue Bonds, Series B and $1,300,000 Clemson University Student and Faculty Housing Revenue Bonds, Series C. The bonds of Series B and the Bonds of Series C are on a parity in all respects with this Bond.

The Trustees hereby agree that they will operate and maintain the student and faculty housing facilities, from whose revenues the principal of and interest on this bond are payable, in efficient and economical manner, and that they will fix and maintain such rentals and charges for such facilities as shall at all times be sufficient to pay the interest on and the principal of this Bond, as and when the same become due and payable, and to enable Clemson to discharge all obligations assumed by it in the Bond Resolution.

Under authority of the Enabling Statute, and by the Bond Resolution, there has been created and granted to and in favor of the holder or holders of this Bond, a statutory lien, which is hereby recognized as valid and binding on the student and faculty housing facilities from whose revenues the principal of and interest on this Bond are payable, and such facilities shall remain subject to said statutory lien to the extent provided by the Bond Resolution until the payment in full of the interest on and principal of this Bond. Upon the happening of any event of default, as defined in the Bond Resolution, the principal of this Bond may become or may be declared forthwith due and payable in the manner and with the effect provided for in the Bond Resolution.
THIS BOND and the interest hereon are exempt from all State, County, Municipal, School District, and all other taxes or assessments of the State of South Carolina, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, except inheritance, estate or transfer taxes.

IT IS HEREBY CERTIFIED AND RECITED that all acts, conditions and things required by the Constitution and Laws of the State of South Carolina to exist, to happen, and to be performed precedent to or in the issuance of this bond, exist, have happened and have been done and performed in regular and due time, form and manner, and that the amount of this Bond does not exceed any Constitutional or Statutory limitation thereon.

IN WITNESS WHEREOF, CLEMSON UNIVERSITY has caused this Bond to be signed by the President of its Board of Trustees, under its Corporate Seal, attested by the Secretary of its Board of Trustees, and this Bond to be dated as of the 1st day of July, A. D. 1966.

in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, and to pay interest on the balance of said principal sum from time to time remaining unpaid, from the date of the delivery of this Bond (as established by the certification endorsed hereon), in like coin or currency, at the rate of five and one-half per centum (5-1/2%) per annum, payable on the first days of January and July of each year thereafter, until the principal amount hereof has been paid. Payment of the principal installments and interest due shall be made at the State Treasury in the City of Columbia, South Carolina (the Paying Agent). Payments of principal and interest, including prepayment of principal as hereinafter provided, shall be noted on the Payment Record made a part of this Bond, by the Paying Agent and written notice of the making of such notations shall be promptly sent to Clemson by the Paying Agent, and such payment shall fully discharge the obligation of Clemson hereon, to the extent of the payments so made. Upon final payment of principal and interest, this Bond shall be submitted to the Paying Agent for cancellation and surrender to Clemson.

This Bond, designated as "Clemson University Student and Faculty Housing Revenue Bond, Series B," (the Bond), limited to an aggregate principal amount of Four Million Two Hundred Thousand Dollars ($4,200,000), is issued pursuant to resolutions (the Bond Resolution) duly adopted by the Board of Trustees of Clemson (the Trustees), and under and in full compliance with the Constitution and Statutes of the State of South Carolina, including particularly an Act of the General Assembly of the State of South Carolina, entitled "AN ACT TO AUTHORIZE THE BOARD OF TRUSTEES OF THE CLEMSON AGRICULTURAL COLLEGE OF SOUTH CAROLINA TO ACQUIRE ADDITIONAL STUDENT AND FACULTY HOUSING FACILITIES; TO EMPower THE BOARD OF TRUSTEES TO EFFECT LOANS FOR SUCH PURPOSES, THROUGH THE ISSUANCE OF REVENUE BONDS AND ALSO FOR THE PURPOSE OF REFUNDING OUTSTANDING BONDS PAYABLE FROM THE REVENUES DERIVED FROM STUDENT AND FACULTY HOUSING FACILITIES, THROUGH THE MEANS OF THE AUTHORIZATIONS OF THIS ACT; TO DEFINE THE PROCEDURE BY WHICH SUCH LOANS MAY BE EFFECTED AND THE COVENANTS AND UNDERTAKINGS TO SECURE THE LOANS; TO MAKE PROVISION FOR THE PAYMENT OF LOANS; AND TO DECLARE VALID CERTAIN BONDS HERETOFORE ISSUED FOR ANY OF SUCH PURPOSES," Approved the 29th day of March, 1961, as amended (the Enabling Statute), to obtain funds to pay and retire a certain Bond Anticipation Note of Clemson and all of the outstanding revenue bonds of Clemson described in the Bond Resolution.

As provided in the Bond Resolution, this Bond is exchangeable at the sole expense of Clemson, at any time upon ninety days' notice, at the request of the registered owner hereof, and upon surrender of this Bond to Clemson at the office of the Paying Agent, in the City of Columbia, South Carolina, for negotiable coupon bonds, payable to bearer, registrable as to principal only, of the denomination of $5,000 each, in the aggregate principal amount equal to the unpaid principal amount of this Bond, and in the form of such coupon bond as provided for in the Bond Resolution.

In addition to the installments of principal required to be paid by Clemson as hereinabove set forth, Clemson shall have the right, on all interest payment dates, to redeem all, but not less than all, of the principal
amount then outstanding, at a price of par, plus accrued interest to the
date of redemption.

Notice of any such optional prepayment shall be given at least
thirty days prior to the prepayment date by mailing to the registered
owner of this Bond a notice fixing such prepayment date.

This Bond may be assigned and upon such assignment the assignor
shall promptly notify Clemson at the office of the Paying Agent by
registered mail, and the assignee shall surrender the same to the Paying
Agent either in exchange for a new fully registered bond or for transfer
on the registration records and for verification of the endorsements made
on the Payment Record attached hereto, of the portion of the principal
amount hereof and the interest hereon paid or prepaid, and every such
assignee shall take this Bond subject to such condition.

Both the principal of and interest on this Bond are payable from
the entire revenues derived by Clemson from all student and faculty housing
facilities which it may now or hereafter possess, as the same are defined
in the Bond Resolution, and, to the extent prescribed by the Bond Resolution,
such revenues are irrevocably pledged to the payment of the principal of
and interest on this bond. Neither the faith and credit of the State of
South Carolina, nor of the Trustees is pledged to the payment of either
the principal of or interest on this Bond, nor shall any member of the
Trustees or any other person signing this Bond, be personally liable hereon.

The Bond Resolution permits the issuance of additional bonds by
Clemson, payable from the revenues pledged to the payment of this Bond,
and such bonds, if issued in accordance with the provisions of the Bond
Resolution, shall rank equally and be on a parity with this Bond. Pro­
vision has now been made for the issuance of $2,620,000 Clemson University
Student and Faculty Housing Revenue Bonds, Series A and $1,300,000 Clemson
University Student and Faculty Housing Revenue Bonds, Series C. The bonds
of Series A and the Bonds of Series C are on a parity in all respects with
this Bond.

The Trustees hereby agree that they will operate and maintain the
student and faculty housing facilities, from whose revenues the principal
of and interest on this bond are payable, in efficient and economical
manner, and that they will fix and maintain such rentals and charges for
such facilities as shall at all times be sufficient to pay the interest on
and the principal of this Bond, as and when the same become due and payable,
and to enable Clemson to discharge all obligations assumed by it in the
Bond Resolution.

Under authority of the Enabling Statute, and by the Bond Resolution,
there has been created and granted to and in favor of the holder or holders
of this Bond, a statutory lien, which is hereby recognized as valid and
binding on the student and faculty housing facilities from whose revenues
the principal of and interest on this Bond are payable, and such facilities
shall remain subject to said statutory lien to the extent provided by the
Bond Resolution until the payment in full of the interest on and principal
of this Bond. Upon the happening of any event of default, as defined in
the Bond Resolution, the principal of this Bond may become or may be
declared forthwith due and payable in the manner and with the effect provided
for in the Bond Resolution.

THIS BOND and the interest hereon are exempt from all State, County,
Municipal, School District, and all other taxes or assessments of the State
of South Carolina, direct or indirect, general or special, whether imposed
for the purpose of general revenue or otherwise, except inheritance, estate
or transfer taxes.

IT IS HEREBY CERTIFIED AND RECITED that all acts, conditions and
things required by the Constitution and Laws of the State of South Carolina
to exist, to happen, and to be performed precedent to or in the issuance of
this Bond, exist, have happened and have been done and performed in regular
and due time, form and manner, and that the amount of this Bond does not
exceed any Constitutional or Statutory limitation thereof.

IN WITNESS WHEREOF, CLEMSON UNIVERSITY has caused this Bond to be
signed by the President of its Board of Trustees, under its Corporate Seal,
attested by the Secretary of its Board of Trustees, and this Bond to be
dated as of the 1st day of July, A. D. 1966.

The bonds of this issue are on a parity in all respects with the following outstanding bonds:

Two Million Six Hundred Twenty Thousand Dollars ($2,620,000) Clemson University Student and Faculty Housing Revenue Bonds, Series A, dated as of the 1st day of July, 1966; and

Four Million Two Hundred Thousand Dollars ($4,200,000) Clemson University Student and Faculty Housing Revenue Bonds, Series B, dated as of the 1st day of July, 1966,

(herein called the "Parity Bonds").

Further bonds on a parity with the bonds of this issue and the Parity Bonds may be issued under the conditions related in the Bond Resolution.

The bonds of this issue maturing July 1, 1969 through July 1, 1976, inclusive, being bonds numbered from 1 to 8, inclusive, are not subject to redemption. The bonds of this issue numbered from 9 to 260, inclusive, being those maturing in the years 1977 through 2006, are subject to redemption in whole or in part, but if in part, in inverse numerical order, on any interest payment date on and after January 1, 1977, at the principal amount thereof, plus accrued interest to the date of redemption, plus a redemption premium for each bond redeemed, computed in accordance with the following schedule:

3% of the principal amount, if redeemed January 1, 1977 through July 1, 1981;

2-1/2% of the principal amount, if redeemed January 1, 1982 through July 1, 1986;

2% of the principal amount, if redeemed January 1, 1987 through July 1, 1991;

1-1/2% of the principal amount, if redeemed January 1, 1992 through July 1, 1996;

1% of the principal amount, if redeemed January 1, 1997 through July 1, 2001; and
Without redemption premium, if redeemed after
July 1, 2001.

If bonds are called for redemption prior to their maturity, notice of redemption, describing the bonds to be redeemed and specifying the redemption date, must be given by Clemson by publication at least once, not less than thirty days and not more than sixty days prior to the redemption date, in a financial journal printed in the English language and published in the Borough of Manhattan, City of New York, State of New York, and by mailing a copy of such notice, during the period within which the advertisement of the call for redemption must be made, to the last known address of the holder of any registered bond called for redemption. Interest on the bonds to be redeemed shall cease to accrue from and after the redemption date specified in such notice, unless Clemson defaults in making due provision for the payment of the redemption price thereof.

Both the principal of and interest on the bonds of this issue are payable from the entire revenues derived by Clemson from all student and faculty housing facilities which it may now or hereafter possess, as the same are defined in the Bond Resolution, and, to the extent prescribed by the Bond Resolution, such revenues are irrevocably pledged to the payment of the principal of and interest on such bonds. Neither the faith and credit of the State of South Carolina nor of the Trustees is pledged to the payment of either the principal of or interest on this bond, nor shall any member of the Trustees, or any other person signing this bond, be personally liable hereon.

THIS BOND is a negotiable instrument. It is transferable by delivery, except when registered as to principal otherwise than to bearer. It may be registered as to principal in the name of the holder at the office of State Bank & Trust Company, in the City of Columbia, State of South Carolina (the Corporate Trustee), on registry books to be kept for the purpose, such registration to be noted hereon, after which no transfer of this bond shall be valid unless made on said books by the registered holder in person or by his duly authorized attorney, and similarly noted hereon; but this bond may be discharged from registration by being in like manner transferred to bearer, after which it shall again be transferable by delivery; and this bond may again and from time to time be registered or discharged from registration in the same manner. Such registration shall not affect the negotiability of the coupons, which shall continue to be payable to bearer and transferable by delivery.

The Trustees hereby agree that they will operate and maintain the student and faculty housing facilities, from whose revenues the principal of and interest on these bonds are payable, in an efficient and economical manner, and that they will fix and maintain such rentals and charges for such facilities as shall at all times be sufficient to pay the interest on and principal of this bond, the issue of which it forms a part, and the principal of and interest on all bonds now outstanding or hereafter issued on a parity with the bonds of this issue, as and when the same become due and payable, and to enable Clemson to discharge all obligations assumed by it in the Bond Resolution.
Under authority of the Enabling Statute, and by the Bond Resolution, there has been created and granted to and in favor of the holder or holders of this bond, and the other bonds of the issue of which this bond forms a part, and to and in favor of the holder or holders of the coupons attached to said bonds, a statutory lien, which is hereby recognized as valid and binding on the student and faculty housing facilities, from whose revenues the principal of and interest on the bonds of this issue are payable, and such facilities shall remain subject to said statutory lien to the extent provided by the Bond Resolution until the payment in full of the interest on and principal of this bond and the issue of which it forms a part. Upon the happening of any event of default, as defined in the Bond Resolution, the principal of all bonds issued pursuant to the Bond Resolution then outstanding may become or may be declared forthwith due and payable in the manner and with the effect provided for in the Bond Resolution.

THIS BOND and the interest hereon are exempt from all State, County, Municipal, School District, and all other taxes or assessments of the State of South Carolina, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, except inheritance, estate or transfer taxes.

IT IS HEREBY CERTIFIED AND RECITED that all acts, conditions and things required by the Constitution and Laws of the State of South Carolina to exist, to happen and to be performed precedent to or in the issuance of this bond, exist, have happened and have been done and performed in regular and due time, form and manner, and that the amount of this bond, together with all bonds of the issue of which this is one, does not exceed any constitutional or statutory limitation thereon.

IN WITNESS WHEREOF, CLEMSON UNIVERSITY has caused this Bond to be signed by the President of its Board of Trustees, under its Corporate Seal reproduced hereon, attested by the Secretary of its Board of Trustees, the coupons hereto annexed to bear the facsimile signatures of said President and said Secretary, and this Bond to be dated as of the 1st day of July, A. in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, and to pay interest on the balance of said principal sum from time to time remaining unpaid, in like coin or currency, at the rate of three per centum (3%) per annum, semi-annually on January 1 and July 1 of each year, commencing on January 1, 1967, until the principal amount hereof has been paid. During the time the Payee is the registered owner of this Bond, payment of the principal installments and interest due shall be made at the Federal Reserve Bank of Richmond, Richmond, Virginia, or such other fiscal agent as the Payee shall designate (herein called the "Fiscal Agent"). During such time as an Alternate Payee is the registered owner hereof, said payment shall be made at the principal office of The First National Bank of South Carolina in the City of Columbia, State of South Carolina (herein called the "Paying Agent"); or, at the option of the Alternate Payee, at the principal office of First National City Bank, in the City of New York, State of New York (herein called the "Alternate Paying Agent"). Payments of principal and
interest, including prepayments of installments of principal as hereinbefore provided, shall be noted on the Payment Record made a part of this Bond, and if payment is made at the office of the Fiscal Agent or Alternate Paying Agent, written notice of the making of such notations shall be promptly sent to Clemson at the office of the Paying Agent, and such payment shall fully discharge the obligation of Clemson hereon to the extent of the payments so made. Upon final payment of principal and interest, this Bond shall be submitted to the Paying Agent for cancellation and surrender to Clemson.

This Bond, designated as "Clemson University Student and Faculty Housing Revenue Bond, Series C" (herein referred to as the "Bond"), limited to an aggregate principal amount of One Million Three Hundred Thousand Dollars ($1,300,000), is issued pursuant to Resolutions (hereinafter called the "Bond Resolution") duly adopted by the Board of Trustees of Clemson University (hereinafter called the 'Trustees'), and under and in full compliance with the Constitution and Statutes of the State of South Carolina, including particularly an Act of the General Assembly of the State of South Carolina, entitled "AN ACT TO AUTHORIZE THE BOARD OF TRUSTEES OF THE CLEMSON AGRICULTURAL COLLEGE OF SOUTH CAROLINA TO ACQUIRE ADDITIONAL STUDENT AND FACULTY HOUSING FACILITIES; TO EMPOWER THE BOARD OF TRUSTEES TO EFFECT LOANS FOR SUCH PURPOSES, THROUGH THE ISSUANCE OF REVENUE BONDS AND ALSO FOR THE PURPOSE OF REFUNDING OUTSTANDING BONDS PAYABLE FROM THE REVENUES DERIVED FROM STUDENT AND FACULTY HOUSING FACILITIES, THROUGH THE MEANS OF THE AUTHORIZATIONS OF THIS ACT; TO DEFINE THE PROCEDURE BY WHICH SUCH LOANS MAY BE EFFECTED AND THE COVENANTS AND UNDERTAKINGS TO SECURE THE LOANS; TO MAKE PROVISION FOR THE PAYMENT OF LOANS; AND TO DECLARE VALID CERTAIN BONDS HERETOFORE ISSUED FOR ANY OF SUCH PURPOSES," Approved the 29th day of March, 1961, as amended (the Enabling Statute), to obtain funds for student housing facilities.

As provided in the Bond Resolution, this Bond is exchangeable at the sole expense of Clemson, at any time, upon ninety days' notice, at the request of the registered owner hereof and upon surrender of this Bond to Clemson at the office of the Paying Agent, in the City of Columbia, State of South Carolina, for negotiable coupon bonds, payable to bearer, registrable as to principal only, of the denomination of $5,000 each, in the aggregate principal amount equal to the unpaid principal amount of this Bond, and in the form of such coupon Bond as provided for in the Bond Resolution.

In addition to the installments of principal required to be paid by Clemson as hereinabove set forth, Clemson shall have the right to prepay on any interest payment date, on and after January 1, 1977, the principal installments due on or after July 1, 1977, or any portion thereof, as it may determine upon, in inverse chronological order and in multiples of $5,000, at the following prices (expressed in terms of a percentage of the principal amount of such prepayment), plus accrued interest to the date of prepayment: 103% if paid on or prior to July 1, 1981; 102-1/2% if paid after July 1, 1981, but on or prior to July 1, 1986; 102% if paid after July 1, 1986, but on or prior to July 1, 1991; 101-1/2% if paid after July 1, 1991, but on or prior to July 1, 1996; 101% if paid after July 1, 1996, but on or prior to July 1, 2001;
and without redemption premium if paid after July 1, 2001, but prior to the stated maturity thereof. PROVIDED, HOWEVER, that so long as the registered owner hereof shall be the Payee, Clemson may prepay on any interest payment date the entire unpaid principal amount hereof, or, from time to time, in the inverse chronological order of the said installments, such lesser portion thereof in multiples of $5,000 as Clemson may determine, at the principal amount thereof, plus accrued interest to the date of such prepayment.

Notice of any such optional prepayment shall be given at least thirty days prior to the prepayment date by mailing to the registered owner of this Bond a notice fixing such prepayment date, the amount of principal and the premium, if any, to be prepaid.

This Bond may be assigned, and upon such assignment, the assignor shall promptly notify Clemson at the office of the Paying Agent by registered mail, and the Alternate Payee shall surrender the same to the Paying Agent, either in exchange for a new fully registered bond or for transfer on the registration records and verification of the endorsements made on the Payment Record attached hereto, of the portion of the principal amount hereof and interest hereon paid or prepaid, and every such assignee shall take this Bond subject to such condition.

Both the principal of and interest on this Bond are payable from the entire revenues derived by Clemson from all student and faculty housing facilities which it may now or hereafter possess, as the same are defined in the Bond Resolution and, to the extent prescribed by the Bond Resolution, such revenues are irrevocably pledged to the payment of the principal of and interest on this Bond. Neither the faith and credit of the State of South Carolina, nor of the Trustees is pledged to the payment of either the principal of or interest on this Bond, nor shall any member of the Trustees, or any other person signing this Bond, be personally liable hereon.

This Bond is on a parity in all respects with the following outstanding bonds: Two Million Six Hundred Twenty Thousand Dollars ($2,620,000) Clemson University Student and Faculty Housing Revenue Bonds, Series A, dated as of the 1st day of July, 1966; and Four Million Two Hundred Thousand Dollars ($4,200,000) Clemson University Student and Faculty Housing Revenue Bonds, Series B, dated as of the 1st day of July, 1966, (herein called the "Parity Bonds").

Further bonds on a parity with this Bond and the Parity Bonds may be issued under the conditions related in the Bond Resolution.

The Trustees hereby agree that they will operate and maintain the student and faculty housing facilities, from whose revenues the principal of and interest on this Bond are payable, in an efficient and economical manner, and that they will fix and maintain such rentals and charges for such facilities as shall at all times be sufficient to pay the interest on and principal of this bond and the principal of and interest on all bonds now outstanding or hereafter issued on a parity with this bond, as and when the same become due and payable, and to enable Clemson to discharge all obligations assumed by it in the Bond Resolution.
Under authority of the Enabling Statute, and by the Bond Resolution, there has been created and granted to and in favor of the holder or holders of this Bond, a statutory lien, which is hereby recognized as valid and binding on the student and faculty housing facilities from whose revenues the principal of and interest on this Bond are payable, and such facilities shall remain subject to said statutory lien to the extent provided by the Bond Resolution until the payment in full of the interest on and principal of this Bond. Upon the happening of any event of default, as defined in the Bond Resolution, the principal of this Bond may become or may be declared forthwith due and payable in the manner and with the effect provided for in the Bond Resolution.

THIS BOND and the interest hereon are exempt from all State, County, Municipal, School District, and all other taxes or assessments of the State of South Carolina, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, except inheritance, estate or transfer taxes.

IT IS HEREBY CERTIFIED AND RECITED that all acts, conditions and things required by the Constitution and Laws of the State of South Carolina to exist, to happen, and to be performed precedent to or in the issuance of this Bond, exist, have happened and have been done and performed in regular and due time, form and manner, and that the amount of this Bond does not exceed any Constitutional or Statutory limitation thereon.

THIS BOND shall not be valid or become obligatory unless it shall have been authenticated by the Paying Agent, by completing the Certificate appearing hereon.

IN WITNESS WHEREOF, CLEMSON UNIVERSITY has caused this Bond to be signed by the President of its Board of Trustees, under its Corporate Seal, attested by the Secretary of its Board of Trustees, and this Bond to be dated as of the 1st day of July, A. D. 1966.
