Continuing Activities

The bulk of the work of the mentoring group typically occurs during the spring in preparation for the annual conference. That is the case this year. By the end of the year (December 2011), we will have completed a draft of our committee timeline and manual.

Completed Activities

Since the 2011 Annual Conference, the mentoring group conducted and analyzed the Mentoring Post-Conference Survey and wrote and submitted the group's annual report.

Budget

The Mentoring Group does not require funding for its activities for 2011/2012.
