Arlington Library)

report of the conference evaluation results was sent to the executive board in August. An abridged version of the report was submitted for publication in the NASIG Newsletter at the same time. The Committee received seventeen requests for individual conference evaluation results which were sent out in July and August.

Budget

None

Submitted: October 2011

Continuing Activities

None

Completed Activities

The conference evaluations were available online a week prior to the conference. A PDF copy was made available for those who preferred to have a print copy for referral. Reminders were sent out prior to the conference and after the conference to encourage participation. As an incentive to participate, a free conference registration was awarded by random drawing and the winner announced in the NASIG Newsletter and NASIG Facebook page. The confidential
