A powerful new FM station has been built for Clemson and Anderson. It has 1,000 of its authorized 32,500 watts on the air!

FM—the new static-free radio, gives Clemson unsurpassed radio facilities among the colleges and extension services of the nation! WCAC will gradually replace Clemson’s use of WAIM, which has provided studios on the campus for the past twelve years.

The new FM station was built by Wilton E. Hall, who established WAIM, “South Carolina’s First Columbia Network Station” in 1935. It has been named “CAC” in honor of Clemson Agricultural College. Watch for news of its progress!

Do you know...

who holds the field goal record?
Charley Brickley, one-man Harvard team (1911-1913), two time All-American, kicked 23 successful field goals in two seasons. In 1911 he made 11 good and 12 more in 1912. In the latter season, three were made against Princeton and two against Yale, Harvard's arch-rivals.

Do you know... a 4 yard loss the biggest "gain"?
The "Ramblin' Wreck" of Georgia Tech in 1916 swamped tiny Cumberland U. by a score of 222 to 0. The best that C.U. could do against one of the great teams of that era was to hold one of their "losses" to 4 yards. In that game, the G.T. end scored 18 consecutive points after touchdown.

Do you know...
a U.S. president was a coach?
Woodrow Wilson, while a professor at Princeton in 1890, led his "Tearing Tigers" to a championship. Always a devotee of the game, as a part-time coach the late president coached his "Nassau" boys through a 14 won and 1 loss season.
Football coaches specify bread at the training table. They know that bread is energy, and keeps players at the peak of physical efficiency. Bread will also help you to keep the full vigor necessary to meet the tasks of a busy and strenuous life.

AMERICA IS
"ON THE MARCH"
... educationally!

The quest of knowledge plus the quickened tempo of those who through no fault of theirs, halted their education to do a special job that had to be done, presents America with a new problem to be reckoned with within our time, likewise it's results are destined to shape a better world.
