Moved by Dr. Timmerman: That the recommendation be adopted.

Motion adopted.

The President recommended that certificates of merit, not to exceed two in any one year, be awarded by vote of the Faculty to farmers in South Carolina who have rendered distinguished service in the agricultural
development of the State,—certificates to be signed by the President of the Board, and the President of the College, and the Director or Dean of the Agricultural Department.

Moved by Mr. Garrison: That the recommendation be adopted.

Motion adopted.

The President recommended that any balance remaining to the credit of the Board of Health, due to the charge of 50¢ per month for sanitary service, dating from April, 1912, be paid back to the contributors, and that the monthly payment be reduced to cost as estimated by the Board of Health, and be collectable with the house rent.

Moved by Mr. Bradley: That the recommendation be adopted.

Motion adopted.

Section 285 of the Regulations for the government of the Cadets reads as follows:

"Demerits incurred by cadets for violation of the Regulations of the College shall be considered in the class standing. Any cadet receiving 67 demerits during any term shall be brought before the Discipline Committee, and shall be dismissed or less severely punished."

At the request of the Faculty the President recommended that this section be amended by making the last sentence read:

"Any cadet receiving 67 demerits during any term, or 121 demerits during a session, shall be brought before the Discipline Committee, and shall be dismissed or less severely punished."

Moved by Mr. Lever: That the recommendation be adopted.

Motion adopted.

"Moved by Mr. Lever: That the President's action be approved, with the suggestion that the official title of the act be used rather than the title "Lever Bill". Motion adopted."

The President recommended that the use of the $10,000 arising under the Lever Act for the fiscal year beginning July 1, 1914, be left in the hands of the President of the College, in consultation with Messrs. Harper and Long.

"Moved by Dr. Timmerman: That the recommendation be adopted. Motion adopted."

The President recommended that the community stores at the edge of the campus be permitted to install a hydrant on their premises, connecting the same to our water system, provided they pay an annual rental of $24, payable semi-annually in advance for the protection of said hydrant, and with the condition that the said hydrant is to be used only in case of fire, and that the College is at liberty to terminate this agreement at any time by re-imburseing the owners of the hydrant and line for their outlay.

"Moved by Mr. Bradley: That the recommendation be adopted. Motion adopted."

The President recommended that the hold-over members of the Ways and Means Committee of the House, and the Finance Committee of the Senate be invited to visit the College sometime during the fall, at the expense of the College.

"Moved by Dr. Timmerman: That the recommendation be adopted. Motion adopted."

The President called the Board's attention to the location of the Y.M.C.A. Building, and recommended that it be located as shown on the map exhibited.
On motion the President's recommendation was approved.

The President recommended that the Hospital be located on the hill opposite the Athletic Field, and between the residence No. 201, occupied by Prof. J.E. Hunter and Robertson's store. The exact location to be approved by the Executive Committee.

On motion the above recommendation was adopted.

The President recommended that Mr. F.C. Hare be elected to the position of Poultry Husbandman, and read a letter from Mr. Long to the effect that if Mr. Hare could not be furnished a house it would be necessary to offer him $2,000 to secure his services.

Moved by Senator Tillman: That the recommendation be approved.

Motion adopted on roll call vote, all members present and voting aye.

The Chair stated that this was the time for the election of all committees of the Board, if it was their desire to do so, otherwise the committees would hold over.

The Chair presented an invitation from Mr. S.G. Stoney, President of the Agricultural Society of South Carolina, to the Board and Faculty, to attend a meeting to be held at "Drainland Experiment Station" July 8th.
