Proceedings of the meeting of the
Board of Trustees, June 15, 1923.

The Board was called to order at 8:00 P.M. and the
Secretary was instructed to call the roll.

The following were present:
Col. Alan Johnstone, Chairman; Messrs. Wannamaker,
Manning, Bradley, Lever, Timmerman, Tillman, Cooper and Barnett.

The Chairman stated that in accordance with a former
resolution the minutes of the March 30th., meeting of the Board
for alterations and corrections and called for any such. There
being no alterations or corrections, the minutes were declare approv-
ed.

President Rigga stated to the Board that Mr. Geer had
advised that illness in his family prevented his attendance on the
meeting, and that business matters prevented the attendance of
Mr. Mauldin and Mr. J.J. Evans.

The President then read his report to the Board.

Moved by Dr. Timmerman: That the report be received
as information.

Motion adopted.

Before taking up the President's recommendations, the
Chairman stated that unless there were objections the Board
would pass on all items by a "yea"and "nay" vote and that the
Secretary would present a resolution at the close of the meeting
by which a roll call vote would be recorded on all items requiring
such vote.

The Board agreed to this, and the President proceeded
to present his recommendations in the following order:
That Prof. H.W. Barre be elected to membership on the discipline Committee for the year 1923, to succeed Prof. W.S. Motrison, deceased.

That Dr. George D. Heath, College Surgeon be made "Health Officer of the local Board of Health, and also "Professor of Hygiene" and as such give not less than six lectures on Hygiene to the Freshman Class.

That Prof. L.A. Sease of the Academic Department (now working with Federal Board students on a year's leave of absence terminating September 1st.) be restored to his college status beginning July 1st.

The adoption of the following rules governing employment of clerks and stenographers located at the college.

Beginning July 1, 1923, all stenographers and clerks located at Clemson College shall be subject to the following rules in regard to employment and salary:

(a) No person shall be employed who has not had satisfactory professional training for the position.

(b) The initial salary shall be as follows during the first period of service terminating June 30 or December 31 nearest after the anniversary of employment.

(1) Those having had less than one year of satisfactory experience ................... a maximum of $900.00 per annum.

(2) Those having had one year or more of satisfactory experience ...................... a maximum of $950.00 per annum.

(3) Those having had two years or more of satisfactory experience .................... a maximum of $1,030 per annum.

(4) Those having had three years or more of satisfactory experience ................... a maximum of $1,080.00 per annum.

(c) After entering the employ of the college the salary shall increase $60.00 per annum until a maximum of $1,200 is reached.

(d) In applying the above rules to present employees each shall be given an initial salary rating in accordance with Secs. 1, 2, 3 and 4, and $60.00 per year shall be added for each full year of satisfactory service at the College up to the maximum salary of $1,200 per annum. In applying this rule the first "year" of service shall be counted to the nearest June 30th or December 31st next following the anniversary of first appointment. In no case shall the actual annual compensation now being received be reduced by the operation of this rule.

Moved by Mr. Tillman: That the recommendations be approved.

Motion adopted.

Moved by Mr. Bradley: That the recommendation of the President and Faculty be approved.

Motion adopted.

The President recommended that the Library be divided into two coordinate divisions to be entitled "The General Library" and "The Reference Library" the former to be under the present Librarian, Miss Tresco, without change of her salary or title and the other to be under an especially trained Reference Librarian (preferably a man) at a salary not exceeding $1,800.

Moved by Mr. Tillman: That the recommendation be approved.

Motion adopted.

The President recommended that the President be permitted to apportion the fund now appropriated for the employment of assistant and associate commandants amounting to a total of $1,800 in such amounts and to such officers as he may deem best in the interest of the college in maintenance of discipline.

After discussion, it was,

Moved by Mr. Lever: That the recommendation be approved.

 The President recommended that the free clinic carried on by the Veterinary Division every Monday afternoon be discontinued.

 Moved by Mr. Wabnamaker: That the recommendation be approved.

 Motion adopted.

 The President recommended that Miss M.L. Sadler be granted leave of absence, with full pay, until September 15th., 1933.

 Moved by Mr. Tillman: That the recommendation be approved.

 Motion adopted.

 The President presented for the Board's consideration the matter of locating a suitable cemetery for the faculty and officers of the college, and suggested a site on "Cemetery Hill".

 Moved by Mr. Wabnamaker: That the President Riggs and his committee get up plans for the cemetery and present them to the Board at its next meeting.

 Motion adopted.

 President Riggs read a letter from Director Calhoun regarding the admission to the College of a 15 year old boy who had graduated from the 11th grade of the Easley High School.

 Moved by Mr. Tillman: That the rules governing the admission of students to the College apply in this case.

 Motion adopted.

 President Riggs presented certain resolutions adopted by the Faculty regarding annuities under the Carnegie Foundation plan and stated that Winthrop and the University both had in effect some such system. He suggested that Legislative acquiescence might be necessary to the certainty of any plan carrying on continuously into the future and pointed out the danger of legislature's disapproval of any annuity or pension legislation with the
the result of interference with this present plan at the University and at Winthrop.

Mr. Bradley expressed the opinion that annuity insurance could probably be obtained cheaper from old line companies than from the company organized by the Carnegie Foundation.

Mr. Bradley was appointed a committee of one to investigate these old line companies and report back at the next meeting.

The President stated that under authority of the By-laws he had taken the following actions and asked the Board's approval of the same, namely:

The acceptance of the resignations of—

F.P. Brooks, "Assistant Professor of Chemistry"; Salary $1,600; Effective September 1, 1923.
