PROCEEDINGS OF THE MEETING OF THE BOARD OF TRUSTEES.

July 10, 1924.

The Board was called to order at 8:00 P. M. and the Secretary was instructed to call the roll.

Mrs. L. A. Sease,
Clemson College, S. C.

My dear Mrs. Sease:

At its recent meeting the Board of Trustees asked me to express to you both officially and personally their regret and sympathy with you in the death of Prof. Sease.

Prof. Sease was known to many members of the Board not only as a man and a professor, but as a colleague on their Board for seven years, and these members in particular knew him in a much closer capacity. On account of his long association with the college, first as a trustee, then as head of the preparatory department, and lastly as a professor, Prof. Sease has won for himself a lasting place with all officers and students who came under his influence, and the Trustees appreciate deeply his long and faithful service. They asked me to express to you this appreciation, and their sorrow and sympathy with you at his passing.

With my kind regards, I am

Yours sincerely,

(Signed) S. B. Earle, Acting President.
