Hon. Burnet R. Maybank
Governor of South Carolina
Columbia, South Carolina

My dear Governor Maybank:

The Clemson Agricultural College of South Carolina has recently
submitted a transcript of proceedings taken by its Board with regard to the
authorization and issuance of $100,000 total principal amount of Barracks
Building Revenue Bonds of 1938. Examination of such transcript indicates
that the said Board, at its meeting held on March 24, 1939, adopted new bond
resolutions but failed to repeal the following resolutions which were
adopted at a meeting of the Board of Trustees held on November 29, 1938:

...
1. A resolution providing for the construction of a Barracks Building, including the necessary equipment therefor; declaring said construction to be a necessity; ordering the construction of said Barracks Building; and providing for the issuance and sale of bonds payable as to both principal and interest from the revenues derived from said Barracks Building in accordance with Act No. 597, Acts of the General Assembly of South Carolina of 1935, to finance said construction.

2. A resolution fixing and determining the rentals and fees to be charged for facilities and services furnished by new Barracks Building to be constructed by said College and financed by the issuance of Barracks Building Revenue Bonds of 1936 and by a grant made to said College by the United States of America.

3. A resolution establishing parietal rules and regulations to assure maximum occupancy of the Barracks Building to be constructed at The Clemson Agricultural College, at Clemson, South Carolina.

We are of the opinion that appropriate repealer resolutions are necessary, but we will not withhold the purchase of the said bonds until such resolutions are adopted. Upon the receipt of a letter from you, stating that you will call a meeting of the Board of Trustees of The Clemson Agricultural College on or about the date of the commencement exercises at said College and that you will recommend to the said Board of Trustees that appropriate repealer resolutions should be adopted at such June meeting, we will proceed to honor the loan requisition submitted by the Board as promptly as possible. However, to assure the adoption of the resolutions requested herein, we wish to inform you that no further payments on account of grant will be made to the College until we are furnished with satisfactory evidence that the requested action has been taken.

Sincerely yours

(Sgd.) H. A. Gray
Assistant Administrator
The Chairman then presented the following resolution:
