Training, Kedral & Scov Tilman

On motion of Col. Orr the Curriculum
Committee were requested to make
their report. After the reading of
the report the following was adopted

Regulations

Students are not to be admitted under
fifteen years of age, except when two.
Brothers apply, one being over fifteen,
the other must under fourteen.
Thorough proficiency in Arithmetic,
Geography, History of the United States,
and a fair knowledge of Grammar,
are required for admission into the
College classes; but on account
of the condition of the public school
the faculty are required to establish
preparatory classes for pupils not
sufficient advanced but of required
age.

Students will be required to bring
with them two sheets, two blankets
or comforts, 20 towels and one pillow.
All students will be required to
wear two changes each week day,
unless excused for sickness or other
misdemeanor cause, and confinement
to be allowing not to exceed eight
weeks for house.

Students who perform extra labor
not necessarily educational, shall receive compensation according to faithfulness and quality of work, not to exceed nine cents per hour. A fee for medical attendance, hospital, etc., shall be charged each student, upon admission, not to exceed five dollars, and no extra charge shall be made in any case of sickness. Expenses for board shall be actual cost of provisions and service, not to exceed $7.00 per month; washing, fifty cents per month; books and stationery at actual cost. All students shall be required to board in the institution, except those who live with their parents, or enough to attend from their homes. The government shall be military, and each student shall be required to purchase a prescribed uniform of coal gray, to cost not more than $8.00, and such winter clothes as he may desire. Each student shall deposit upon admission the sum of $24.00 for said suits. Board shall be paid monthly in advance. The first Thursday in January shall be the beginning of the collegiate year, which shall terminate on the fourth Thursday of November. The board decided that with the work, recreation, and duties of employment, the student could not stand ten months, with the three days of regular duties,
Better than nine months and five days of school in a different system, and it would enable the boys to get a better assimilating four years.

The cost of a four-boy course is:

- For board, ten months: $70.00
- For medical attention: 5.00
- For washing: 5.00
- For uniforms or clothing: 24.00

Total: $104.00

Which sum may reduce by his labors.

For this, the Boys of the same must be added to tuition fee of $40.00.

The College shall have two regular departments: the Agricultural Department, and the Technological or Mechanical Department.

The general purpose of the board is to require the same course of study for both agricultural and mechanical departments, in English, Mathematics, History, and Political Economy and Physics.

The courses will begin to diverge in Chemistry after first year; some Agricultural Chemistry will be required only of students in the Agricultural Department, as will also Botany, Zoology, etc., with Horticulture, in the shops drawing and farm mechanics will be required to a degree of students of both departments, but will be greatly enlarged.
