MINUTES OF THE MEETING OF THE
BOARD OF TRUSTEES OF THE CLEMSON AGRICULTURAL COLLEGE
HELD IN THE PRESIDENT'S OFFICE, CLEMSON, S. C.
March 18, 1949

The Board members were assembled at the appointed hour, 9:00 A.M. Dr. Poole announced that he had requested representatives of the student body to appear before the Board and asked permission to present them. Permission was granted and the following were presented to the Board: Frank Gillespie, President Senior Class and Senior Council; Earl E. Morris, Jr., Vice President Blue Key; William H. Moore, member Senior Council and George C. Fant, Student Parking Committee. Mr. Morris presented activities of Blue Key Fraternity, Mr. Moore reviewed and answered questions relative to proposed Honor System, and Mr. Fant discussed student parking. The students were thanked for their interest and advised that due consideration would be given by the College Administration to the matters discussed.

Those present other than members of the Board were asked to withdraw from Executive Session of the Board. On being recalled, Mr. Byrnes advised the Secretary to record that in Executive Session Mr. Christie Benet had been elected Chairman of the Board by unanimous vote.

Chairman Benet called the meeting to order and asked the Secretary to call the roll. The following members were present: Messrs. Christie Benet, Chairman, W. A. Barnette, James F. Byrnes, R. M. Cooper, F. E. Cope, J. B. Douthit, Jr., Ben T. Leppard (Arrived later), T. W. Thornhill, T. B. Young, and J. F. McLaurin. Others present were: Messrs. R. F. Pool, J. C. Littlejohn, G. H. Hill and A. J. Brown.

Moved by Mr. Barnette and Seconded by Mr. Douthit: That a page in the minutes of the Board be transcribed with the following memorial to Mr. William Wideman Bradley whose death occurred on November 24, 1948.

The motion was approved with all present standing for a period in silent respect and memory of the deceased.

WILLIAM WIDEMAN BRADLEY

William Wideman Bradley, son of John Edward and Sarah Wideman Bradley, was born in Abbeville County, South Carolina, on January 31, 1869. He was educated in the public schools of Abbeville County and at Erskine College. After graduation he taught school for one year in the town of Donalds, South Carolina.

In 1890, after a year of teaching, Mr. Bradley was appointed auditor of Abbeville County, thus beginning life as a public servant including ten years as auditor, sixteen as secretary to the Honorable D. Wyatt Aiken, Congressman from the Third District, three years as assistant, and seven years as Bank Examiner for the State. The remaining eight years of his active life were spent in the work of the Office of Internal Revenue of Columbia, South Carolina.

During forty-one years of his long period of public service, Mr. Bradley was a Life Trustee of Clemson College. He was elected
July 9, 1907, to succeed his father, a member of the first life board, who had died three months earlier. During the first decade of his life as a Trustee, Mr. Bradley regarded as a high privilege his association with five of the original Life Trustees -- Tillman, Simpson, Bowen, Donaldson, and Wannamaker. His association with Colonel Alan Johnstone and other distinguished South Carolinians originally elected by the Legislature, too numerous to mention by name, was equally cherished. These men, all, he loved with the warmth of a genial and understanding nature; and we that are left of them hereby accord esteem and affection where love and regard are due.

We may "not look on his like again",
Though others be as good and kind,
For Nature begrudges the travail and pain
That links such a spirit and mind.

Therefore, be it resolved:

1. That we, the members of the Board of Trustees of Clemson College in regular session assembled, do hereby express our sincere appreciation of the unstinted service rendered to Clemson College and the State of South Carolina by our lamented colleague and presiding officer, W. Nideman Bradley, throughout the forty-one years of his encumbency.

2. That we miss his wise counsel and genial companionship in the, sometimes, exacting as well as routine duties of our office; and by the same token his example shall ever prove an inspiration to us all.

3. That a page in our record book be inscribed to his memory and that a copy of these resolutions be mailed to the members of his sorrowing family.

President Poole presented the following recommendations:

PRESIDENT'S RECOMMENDATIONS -- MARCH 18, 1949

The President recommended that $1,142.99 of Clemson Bequest money be invested in Federal Bonds.

(a) Moved by Mr. Barnette and Seconded by Mr. Thornhill:
That the Treasurer be authorized to invest the Fund in U. S. Treasury Series "G" Bonds.

APPROVED

(b) The matter of investing various Trust and other College funds was discussed and the following resolution presented:

Moved by Mr. Barnette and Seconded by Mr. Thornhill:
That the Chairman of the Board appoint a committee to consider the matter of investments and to submit an overall plan to the Board for consideration.

APPROVED

The President requested authority to construct a building approximately 30 feet wide by 55 feet long by 15 feet high to house the fire-fighting equipment and provide sleeping quarters for the fire station attendants. This building will be located at the site of the new steam plant and will be paid for from surplus reserve funds. It is estimated the construction cost of the building will be approximately $51,500. It is necessary that the fire station be located at the site of the new steam plant in the interest of efficient operation and to safe-guard college property.

Moved by Mr. Byrnes and Seconded by Mr. Cope: That the President's request be approved.

APPROVED

The President requested authority to negotiate with the South Carolina Sinking Fund Commission for funds to finance the installation of an adequate sprinkler system in the Chemistry Building and in the College Printery. This installation will cost approximately $16,500 and will be repaid over a period of 20 years through savings in fire insurance premiums of $450 per year and additional necessary payments of about $700 from college funds. These two buildings are among the older structures on the campus and without sprinkler protection.

Moved by Mr. Cooper and duly Seconded: That the President's request be approved.

APPROVED

The President recommended that the Board consider granting authority to the National Guard of South Carolina to construct near the old hog barn a building 50 by 104 feet for use as motor pool and/or Armory — said building to be of brick with metal trusses, and corrugated asbestos roof. The cost of the building is to be $25,000 and is to be paid from National Guard funds.

(a) Moved by Mr. Cooper and Seconded by Mr. Cope: That the Board consider the recommendation.

(b) In the event it becomes necessary to grant title to the State of South Carolina for lands for the construction of the Armory the following from the 1942 Code of Laws of South Carolina sets forth the authority of the Board of Trustees.
Vol. 3, Section 5733. Incorporation and powers - property rights - investment of funds - by laws. - The said board of trustees is hereby declared to be a body politic and corporate, under the name and style of The Clemson Agricultural College of South Carolina. They shall have a corporate seal, which they may change at their discretion; and in their corporate name they may contract for, purchase and hold property, for the purposes of sections 5730 thru 5735, and may take any property or money given or conveyed by deed, devise or bequest of said college, and hold the same for its use and benefit; provided, that the conditions of such gifts or conveyance shall in no case be inconsistent with the purposes of sections 5730 thru 5735, and shall incur no obligation on the part of the State. They shall securely invest all funds and keep all property which may come into their possession, and may sell any of the personal property not subject to the trust, and reinvest the same in such way as they may deem best for the interest of said college. They may sue and be sued, and plead and be impleaded, in their corporate name, and may do all things necessary to carry out the provisions of sections 5730 thru 5735, and may make by-laws for this purpose if they deem it necessary. Said board of trustees of The Clemson Agricultural College of South Carolina are hereby authorized and empowered to sell and make title thereto, upon such terms and conditions as they deem advisable, and real estate held by them or hereafter held by them as such trustees, provided, however, that such power and authority shall not extend to any part of that real property included in the bequest of Thomas G. Clemson, provided, further, that the authority and power herein bestowed upon said board of trustees shall not be exercised unless two-thirds (2/3) of the members of the said board shall have agreed thereto. Any conveyance made under this authority shall be made in accordance with the by-laws adopted by said board of trustees.

Section 5773. Convey sites to United States for buildings. - The board of trustees of The Clemson Agricultural College are hereby authorized and empowered to convey to the government of the United States a suitable site at the Pee Dee experiment station near Florence, South Carolina, for the erection of a laboratory and its adjuncts. Also, convey suitable sites on the land at Clemson College, South Carolina, for the purpose of erecting a post office, armory, laboratory, or fish hatchery to be used for maintaining and further improving the educational and scientific work of the Clemson Agricultural College.

Mr. Benet read letter giving opinion of the Attorney General. The different aspects of the matter were duly considered.

Moved by Mr. Cope and Seconded by Mr. Thornhill: That authority be given to convey title of proposed site to the State of South Carolina for purpose stated, but that every effort be made to make provision that the property revert to The Clemson Agricultural College in the event the property ceases to be used for the purpose for which granted.

Approved on vote of more than two-thirds of the members of the Board. Ten members voted approval.

16. (a) The Faculty Insurance Committee elected to study group life insurance plans to replace the Aetna Group Life insurance contract wishes your approval of the use of the name of the college in securing a new contract provided the college is in no way committed to any financial obligation. The Committee is considering the Liberty Life Insurance Company which was the lowest of several bidders. Group insurance is offered by this company at the rate of 85 cents.
Group Insurance (Continued)

per month per thousand dollars of insurance provided 75 per cent of the salaried employees of Clemson College participate.

(b) In the event the Faculty Insurance Committee is unable to execute a contract for a new group life policy, the President recommended that authority be granted to further extend to July 1, 1949 the present contract with the Aetna Life Insurance Company and pay the employer's part of the premium from Kress Funds provided the cost does not exceed $5,000.

Various members expressed concern over the fact that some employees were being deprived of insurance which could not be replaced and their desire to do all possible to remedy the situation.

Moved by Mr. Young and Seconded by Mr. Leppard: That the Faculty Insurance Committee be authorized to negotiate for insurance in the name of Clemson College Employees without committing the college to any financial obligation, and that in order to provide the committee time to complete negotiation, the present contract with Aetna Life Insurance Company be further extended to July 1, 1949 only and that employer's part of the premium, not to exceed $5,000.00, be paid from the Kress Funds. And furthermore that the policy-holders be advised that this is final and last payment to be authorized by the Board.

(2) That for the remainder of the 1948-1949 fiscal year Head Coach Frank Howard be allowed $660 as a special item for his use to be paid in a lump sum or on a regularly monthly basis during the remainder of the fiscal year.

(3) That beginning on July 1, 1949, the salary of Head Coach Frank Howard be raised to $7,140 per year.

(4) That the title now held by Mr. Frank Howard be changed to that of Director of Athletics and Head Coach.

The recommendation was thoroughly discussed. Some of the Board objected, in principle, to salary of a college employee being in excess of that of the President. The question of being in position to grant the Head Coach a bonus next year and stay within the salary of the President was considered. It was decided to vote on the recommendation by sections.

(1) Moved by Mr. Thornhill and Seconded by Mr. McLaurin: That the bonuses as recommended in Section 1 be approved.

APPROVED

(2) Moved by Mr. Thornhill and Seconded by Mr. McLaurin: That legitimate expenses of Head Coach Frank Howard be paid.
