Moved by Mr. Sherard: That the increase be approved.

Motion Adopted

10. That the following three resolutions be approved so as to meet the requirements of the PWA. These do not involve additional funds and unless something unforeseen arises we will be able to include all the items listed. The itemized costs to be furnished the PWA along with the resolutions and change orders.
RESOLUTION

BOARD OF TRUSTEES
THE CLEMSON AGRICULTURAL COLLEGE OF SOUTH CAROLINA

The Board of Trustees of the Clemson Agricultural College of
South Carolina by authority of the General Assembly entered into an
agreement with the Federal Emergency Administration of Public Works for
erecting and equipping on the College campus:

1. Agricultural Building, Docket S. C. 1016 R
2. Four Dormitories, Docket S. C. 1017 R

The Enabling Act for the Agricultural Building specified that
the funds "shall be expended for the purpose of erecting and equipping
on the campus of the Clemson Agricultural College an Agricultural Building
and the necessary steam heating equipment ***". Exhibit "B" of the
original application contains a statement, "All buildings are heated from
a central boiler plant. Under HEATING is included the cost of the steam
supply line to the building and one-half the cost the required additional
boiler. The other half of the cost of a boiler is included in the esti-
mates for a barracks***.

In the preparations of the plans and specifications and the
receiving of bids it was necessary to have one bid on the steam boiler
combination to serve the two new buildings, and for convenience the
Engineers listed the boilers for both projects under the Proposals for
Four Dormitories, Docket S. C. 1017 R. The total cost of boiler combi-
nation for both projects was therefore included in the contract awarded
for Project S. C. 1017 R for the reasons stated. The intention of the
Board of Trustees was to have each project bear its prorate share of the
cost. When the contracts were awarded by the Executive Committee of the
Trustees on December 3, 1935, this Committee reaffirmed this intention
by including in the minutes the statement "One-half the cost of the boiler
to be charged to the Agricultural Building".

NOW, THEREFORE, BE IT RESOLVED: That the Board of Trustees of
the Clemson Agricultural College respectfully requests the Federal Emergency
Administration of Public Works to authorize the cost of the steam heat
boilers to prorated between Project S. C. 1016 R and Project 1017 R by
having each pay the sum of fifteen thousand, seven hundred and fifty
dollars ($15,750.00) instead of requiring Project S. C. 1017 R to bear
the total cost. By so doing, the income allotted for the Agricultural
Building will be fully applicable to that building; and the income for
the Four Barracks will be properly applicable to those structures.

This request will not involve additional funds and will not
exceed the allotments now provided.

The foregoing Resolution was read to the Board and discussed.

On motion of S. H. Sherard, duly seconded by J. E. Sirrine, the
Resolution was unanimously adopted, with the following voting "Aye":
W. W. Bradley, Paul Sanders, W. D. Barnett, J. B. Douthit, S. H. Sherard,
Christie Benet, T. B. Young, R. M. Cooper, F. E. Cope, and J. E. Sirrine.

The Chairman thereupon declared the Resolution adopted.

RESOLUTION

BOARD OF TRUSTEES
THE CLEMSON AGRICULTURAL COLLEGE OF SOUTH CAROLINA
Re: F. W. A. Project 1016 R

When estimates and specifications were prepared for the con-
struction of an agricultural building by the Clemson Agricultural College
with funds secured from the Federal Emergency Administration of Public
Works certain alternates were included in the specifications so as to
bring the cost of construction within the available funds provided the
bids exceeded the original specifications. These alternates included
desirable and necessary features for the completion of the project. When
the contracts were awarded it was found that funds would be available to
deduct certain of the necessary features which had been omitted or deferred.
BE IT THEREFORE RESOLVED by the Board of Trustees of the Clemson Agricultural College that request be made to the Federal Emergency Administration of Public Works to permit the use of available funds in extending the scope of the project. These changes and additions to be as follows:

1. Interior painting of plastered surfaces not originally specified.
2. Changing of wood roof plank to fire-resisting material.
3. Changing the hall floor of the first story to a more durable type of material.
4. Installing hot water tank as specified in room Bl6.
5. Adding floor drain and piping in room E30.
6. Adding drinking fountain in first story hall by room 133.
7. Adding additional toilet facilities in room 119.
8. Adding pilot lights outside four refrigerator doors.
10. Lowering terrace and entrance west side of building.
11. Changing refrigerating machinery to lower cost of operation.
12. Grading and surfacing around building preparatory to landscaping.
13. Landscaping around building so as to give finished appearance.
14. Connecting the building with walk and road on east and north entrances.
15. Extending steam line to south side of building and connecting with old Extension Building moved from the site of the new building.
17. Omitting master clock and connecting to existing master clock now installed in Engineering Building.
18. Adding unit to existing Greenhouse across the road to south of the Agricultural Building.
19. Removing partitions and preparing old building moved from site of the new building so as to permit it to be used for classrooms.

This request does not involve additional funds; it increases the scope of the project to make it more useful and to better serve the purposes for which it is intended.

The foregoing Resolution was read to the Board and discussed.

On motion of S. H. Sherard, duly seconded by J. E. Sirrine, the Resolution was unanimously adopted, with the following voting "Aye": W. W. Bradley, Paul Sanders, W. B. Barnett, J. B. Douthit, S. H. Sherard, Christie Benet, T. B. Young, R. M. Cooper, F. E. Cope, and J. E. Sirrine.

The Chairman thereupon declared the Resolution adopted.
of construction within the available funds provided the bids exceeded the
original specifications. These alternates included desirable and neces-
sary features for the completion of the project. When the contracts were
awarded it was found that funds would be available to add certain of the
necessary features which had been omitted or deferred.

BE IT THEREFORE RESOLVED by the Board of Trustees of the Clemson
Agricultural College that request be made to the Federal Emergency Admin-
istration of Public Works to permit certain changes and additions which
will not exceed funds available. These changes and additions to be as
follows:

1. Rolling, packing and preparing filled earth between
   the buildings for laying of sidewalks, pavements,
   and for landscaping.

2. Adding ten (10) bedrooms in the basement of No. 2
   Barracks, enlarging rifle range, general finishing
   of club rooms and other rooms in basement and sub-
   basements of Barracks 2 and 4.

3. Installing electric signal clocks and gongs in the
   four barracks to operate as secondary clocks and
   gongs under the present master clock now located in
   the Engineering Building.

4. Painting all walls and ceilings in the four barracks
   that were not specified to be painted in the original
   application.

5. Laying of cement walks and pavement in the quadrangle
   between the fronts of the buildings, and steps and
   walks connecting thereto.

6. Landscaping around the walls of the buildings.

7. Installing soda and acid fire extinguishers on each
   floor as a part of the equipment.

8. Extending sewer line from buildings to connect with
   outfall.

This request does not involve additional funds, but an increase
in the scope of the project to make it more useful and to better serve the
purposes for which it is intended.

The foregoing Resolution was read to the Board and discussed.

On motion of S. H. Sherard, duly seconded by J. E. Sirrine, the
Resolution was unanimously adopted, with the following voting "Aye":
W. W. Bradley, Paul Sanders, W. D. Barnett, J. B. Douthit, S. H. Sherard,
Christie Benet, T. B. Young, R. M. Cooper, F. E. Cope, and J. E. Sirrine.

The Chairman thereupon declared the Resolution adopted.

ll. That as rapidly as funds permit the servant houses and open
toilets on the campus proper be removed and that there be included with our
residence painting schedule the installation of servant toilets either in
the residence or the garage provided connections can be made to existing
sewer lines.

Approved

12. That all laborers employed in the Mess Hall, the laundry, and
the barracks be required to undergo periodical medical examination by the
College Surgeon for contagious and infectious diseases, or at such other
times as may be deemed necessary by the authorities; that this also be
extended to include those handling milk sent to the Mess Hall.

Moved by Mr. Cooper: That the recommendation be approved.

Motion Adopted
13. That jobs be provided for the sons of Mr. Burns who lost his life in fighting the old engineering fire. These jobs to pay approximately $15.00 per month and the total not to exceed $140.00 in any one year.

No Action

14. That a committee consisting of one member of the Executive Committee, the Business Manager, and the Mess Officer be appointed to study the need of enlarging the Mess Hall and report their recommendations to the Board at the June 1936 meeting.

Deferred for consideration with other matters for the June meeting.

15. That the sum of $1,000.00 be appropriated to care for unforeseen expenditures in connection with the temporary barracks and repairs to the Hotel. This appropriation not to be used unless found to be necessary later in the year.

Moved by Mr. Benet: That the appropriation be made.

Motion Adopted (See roll call vote)

16. That the President and the Directors concerned be authorized to transfer balances on Federal and State Appropriations in compliance with the laws governing the same.

Approved

17. That the appropriation for the Treasurer's Office be increased $250.00 to cover the cost of supplies needed to operate the office for the remainder of the year.

Moved by Mr. Benet: That the appropriation be made.

Motion Adopted (See roll call vote)

18. An expression from the Board as to the advisability of a joint meeting with representatives from the Board of Trustees of the University, of Clemson, and officials of the State Fair Association regarding changing date of the Carolina-Clemson football game was requested.

Moved by Mr. Sirrine: That the matter be referred to Mr. Benet and Mr. Barnett with authority to act for the College.

Motion Adopted

19. That the Extension Budget, aggregating $572,478.89, for the current year be approved. The complete budget was not presented at the June meeting due to delay by the United States Department of Agriculture. The budget is as follows:

<table>
<thead>

Total                           $14,866.24

Moved by Mr. Sherard: That the budget be approved.

Motion Adopted (See roll call vote)
21. That effective April 1, 1936 the salary of Miss Lonny I. Landrum, State Home Demonstration Agent, be increased from $3,000.00 to $3,300.00. 

Moved by Mr. Sirrine: That the increase be made. 

Motion Adopted (See roll call vote)

22. That effective April 1, 1936 the salary of Mr. J. R. Hawkins, Livestock Specialist, be increased from $3,200.00 to $3,500.00, and that he be made State leader in Livestock extension work with the title, State Leader, Livestock Extension Work.

Moved by Mr. Young: That the increase be made. 

Motion Adopted (See roll call vote)

23. At the last meeting of the Board the employment of a second Dairy Specialist at $2,400.00 and of a Field Information Specialist at $2,400.00 was authorized. Not having been able to fill these positions with well qualified men at these salaries, it is recommended that authority be given to pay as high as $2,800.00 a year for the Dairy Specialist and as high as $3,000.00 per year for the position of Field Information Specialist.

Moved by Mr. Cooper: That the recommendation be approved. 

Motion Adopted (See roll call vote)

24. The establishment of a temporary position of Assistant in Office Management at a salary not to exceed $3,000.00, this position to be filled for approximately a year by a person qualified to render assistance to our 46 county extension offices, was recommended.

Moved by Mr. Sirrine: That the recommendation be approved. 

Motion Adopted (See roll call vote)

25. That the surplus funds remaining in the Extension Division be used to pay to the Agricultural Agents, the amount to be agreed upon by the President and Director D. W. Watkins, but that there be no increase in the regular salaries now paid.

After discussion, the recommendation was amended as follows:

That the sum of $16,000.00, if available, be prorated on a basis of the annual salaries for the months of April, May and June to the salaries of the Director of Extension, the three District Agents, Extension Agronomist and the County Agricultural Agents. The additional compensation in any one month shall not exceed 20% of the present monthly pay.

Moved by Mr. Sirrine: That the recommendation, as amended, be approved. 

Motion Adopted (See roll call vote)

NOTE: Amended by letter vote, May 8th, to apply to entire Extension payroll.

26. The President asked consideration of the request of Col. R. John West that he be retired.

After consideration by the Executive Committee, the following recommendation of the Committee was unanimously adopted by the Board:

"Whereas Colonel R. John West has requested a leave of absence from the College on account of illness, now, therefore, the Board of Trustees hereby grant the leave of absence beginning April 6, 1936, and that Colonel T. S. Moorman is hereby appointed Commandant and his duties shall commence April 6, 1936. The President is hereby authorized to pay Colonel R. John West full salary to May 6 and one-half (1/2) salary from May 7 to September 6, 1936. That the request of Colonel West for free rent from July 1, 1936 is forbidden by the State Law and is therefore refused."

27. That the Board of Trustees choose a suitable name for the new Agricultural Building.
Moved by Mr. Sanders: That the Agricultural Building be named in honor of the late Dr. W. W. Long.

Motion Adopted

28. That the Board select the Board of Visitors for the year 1936. The following were then nominated and elected to serve on the Board of Visitors:

District #1
- M. F. Howell, Walterboro, S. C.
- John W. Gersky, Yemassee Island, S. C.
- W. J. McLeod, Jr., Walterboro, S. C.

District #2

Increases in salaries of E. W. Faires and T. M. Clyburn, Federal Employees, disapproved.

Moved by Mr. Cooper: That the increase in salaries apply only to those on the Experiment Station payroll.

Motion Adopted (See roll call vote)
That effective April 1, 1936 the three District Agents, J. T. Lazar, A. A. McKeown, and A. H. Ward, together with R. W. Hamilton, Extension Agronomist, be given a promotion in salary from $3,300.00 to $3,900.00.

Moved by Mr. Barnett: That the increases in salaries for the District Agents and Extension Agronomist be disallowed and that they be given a prorata share as allowed the Agricultural Agents under Section 25 and that further salary increases be deferred until the June meeting.

Motion Adopted

31. That Director D. W. Watkins share in the distribution of funds for the next three months the same as the County Agents. (See Recommendation #25.)

Approved

32. That an amount of not over $1,000.00 be appropriated as a cash subsidy for the publication of the Life of Thomas G. Clemson.

After discussion, the matter was, on motion of Mr. Young, referred to the Alumni Association to determine the demand for the publication.

The President read the following resolutions, prepared by a Special Committee of the Board, on the life of the late Mr. J. E. Wannamaker which were adopted by a rising vote and ordered spread on the minutes of the Board.

IN MEMORIAM

JOHN EDWARD WANNAMAKER

In the passing of John Edward Wannamaker South Carolina has lost a patriotic citizen who never shirked a duty, Clemson College has lost a most faithful and devoted servant, and we of the Board of Trustees have lost a safe leader, a wise counsellor, and a beloved coworker and friend.

Appointed by Thomas G. Clemson in 1888 as one of the original Life Trustees, he loved the institution and thought, planned, and labored untiringly for the establishment, maintenance, growth, and improvement of the College. Nothing pleased him more than to see Clemson College enlarging her plant, extending her influence, and increasing and improving her services to the students and to the citizens of the State, especially to the farmers. He was himself a successful scientific farmer, and extensive plant breeder, and the owner of one of the most beautiful farms in South Carolina.

Mr. Wannamaker was the last of the original Life Trustees and was the chairman of the Board at the time of his death. In that capacity he was a wise leader and a courteous and impartial presiding officer. He was one of the most beloved men that ever sat on this Board. He lived:

"In deeds, not years; in thoughts, not breaths; In feelings, not in figures on a dial."

He counted "time by heart throbs."

Mr. Wannamaker sought no political office, but his influence was always for honest public service and good government. In resolutions passed by the South Carolina Senate on the death of Mr. Wannamaker are these words:

"While this body is saddened to learn of his death, it is with pride that we may pay this humble and feeble tribute to the memory of this distinguished citizen, and we call attention to the virtues of his life, which are so worthy of emulation."

As a man Mr. Wannamaker was a gentleman of the old school, courtly in bearing, gentle in manner, pure in thought, and firm in conviction. Every relationship in life was characterized by kindliness, sympathy, and generosity. While holding himself to the highest and most
rigid standards of rectitude, he was generous in his judgments of others. Like the Master, he sought to win men to the ways of righteousness through love. He was a loyal and devoted member of the Methodist Church and was for more than thirty years the superintendent of the Sunday School. As Mark Antony said of the Noble Brutus,

"The elements so mixed in him
That nature might stand up
And say to all the world,
'This was a man.'"

With man as with nations,

"Our deeds do follow us from afar,
And what we have been makes us what we are."

And so, though, after a long and good life of useful service to his day and generation, he has gone away, his spirit and influence abide, and we are better because we knew him and loved him.

"There is no death; The stars go down
To rise upon some fairer shore
And bright in heaven's jewelled crown
They shine forevermore.

"He is not dead; he has but passed
Beyond the mists that blind us here,
Into the new and larger life
Of that serener sphere."

The Chairman presented to the Board for consideration the question of a centralized purchasing system, internal audit and the need of enlarging the Mess Hall service.

After discussion, it was

Moved by Mr. Benet: That the matter be referred to a committee for study and recommendations to be reported to the Board at the June meeting.

Motion Adopted

The Chairman appointed Messrs. Benet, Cooper and Barnett to serve on the committee and authorized the Business Manager and the Treasurer of the College to cooperate and work with the committee.

The Business Manager was requested to furnish the members of the Board with such information he may have on the proposed plans.

Mr. Sanders presented a report dealing with the present status and relationships of the College and the Soil Conservation Service.

Moved by Mr. Barnett: That the report be received as information.

Motion Adopted

At the request of Mr. Barnett, the Board discussed and advised with the Athletic Committee the question of the proposed change in the date of the Carolina-Clemson football game at the State Fair.

At the request of the Chairman, the Secretary presented the following resolution:
RESOLVED: That all measures and recommendations made at this meeting, which, according to the By-laws, require a roll call vote of nine or more members, be hereby adopted and confirmed, and that the Treasurer be authorized to issue his checks for all expenditures authorized at this meeting.

Resolution adopted on unanimous roll call vote by the ten members present.

There being no further business, the Board adjourned.
