President’s Corner
Carol Ann Borchert

We are heading into final preparations for our conference in Albuquerque! I’m really excited about the programming that we have in store this year, and we have a trip on Thursday to the Anderson-Abruzzo International Balloon Museum for our opening reception, which looks both fun and educational! Just a few weeks into registration, we have nearly 140 people registered for the conference, so it looks like we will have a robust turnout this year. Our conference hotel has booked up quickly, and we have secured a block of rooms at a secondary hotel nearby, the Best Western. The growing pains are uncomfortable, but I’m happy to see that we are indeed growing! If you know folks who would benefit from joining NASIG now that we have expanded our vision and mission, please spread the word. Our programming this year shows that is already starting to happen: We have a rich diversity of topics this year at the conference.

Right now we have 906 members in NASIG, of which 401 are student members, resulting from the year of free NASIG membership that began in January. We are seeking ways to bring our new student members into the fold and make NASIG a meaningful experience for them, so if you have ideas, please pass them along to a board member or to info@nasig.org.

The board continues to cull through the various suggestions that arose during the strategic planning session in January. We will be appointing a strategic planning task force soon to write a formal plan with action items. However, rather than waiting for a formal plan, the board has already begun moving forward on some of the items, such as voting to join NISO as an organizational member. This will allow NASIG to
propose standards as an organization and to vote on standards relating to our mission. We are also working on plans to enhance NASIG’s fundraising and marketing—more on that later as those projects solidify.

Next week, I head to the UKSG conference in Bournemouth, UK. As my year of NASIG presidency winds down, I am happy to see the direction NASIG is moving. We have accomplished a lot this year and laid some good groundwork. As NASIG’s financial standing becomes even stronger, I’d like to see NASIG move toward either having a paid staff or outsourcing various functions. This will allow our volunteers to do more high-level work, as we have done with the Core Competencies, and less event planning and web maintenance. This year, NonProfit Help assisted in making reservations for the NASIG Award winners and selected aspects of the conference planning process.

During the preparations for the strategic planning session, we found that when our membership numbers dropped several years ago, the number of people needed to run the organization did not. As of December 2015, about 40% of our members were active on a committee or task force needed to perform the various functions of the organization. While such a high rate of participation indicates remarkable dedication on the part of our members, we do not want to burn out our members. When we started discussing the idea of a digital preservation group in response to Anne Kenney’s vision session at the 2015 Conference, we realized how thin our resources are already stretched. I would still like to see NASIG circle back to this task force idea, but we must provide some relief for the volunteers that we have. NASIG needs to create volunteer opportunities that have a greater professional impact both for the individuals involved and the organization as a whole. I am eager to see how NASIG transforms the information community over the next few years, and to continue to participate in that development in any way that I can.

CPC Update
Mary Ann Jones & Betsy Appleton, CPC Co-Chairs

Registration is now open for the 31st Annual NASIG Conference in Albuquerque, New Mexico! Be sure to register before the Early Bird deadline coming up this month on May 18. As always, NASIG is going to provide a lot of fun, along with the plethora of dynamic, leading-edge programming.

The CPC has been hard at work planning a fabulous opening reception at the Anderson-Abruzzo Albuquerque International Balloon Museum--a perfect place to “Embrace New Horizons!” Take a look at the history and science of balloon flight, enjoy a great meal, and perhaps be inspired to book a balloon ride while visiting Albuquerque. NASIG’s popular dine-arounds are also back this year: we’ll have eight restaurant reservations available for you to choose from and enjoy a meal with fellow attendees in and around Old Town Albuquerque. After a great meal, head back to the Hotel Albuquerque for a late night social, but try not to stay up too late because the Fun Run on Saturday morning starts around 5:45 a.m. Enjoy seeing the sunrise over the Sandia Mountains. You may even spy a balloon (or seven) on your run.

There is a lot to see and do just steps away from the Hotel Albuquerque, so while you aren’t in a session, you should sample some chocolates from dangerously-close-to-the-Hotel-Albuquerque shop, The Candy Lady, and walk off your sugar crash while browsing in the many shops and galleries that line Old Town. Those of you who would like to sample local wine will find a great place to do so at the St. Clair Winery and Bistro, and if craft beer is more your style, head west of the Hotel Albuquerque for an ale at the Ponderosa Brewing Company.

We are looking forward to seeing you all in Albuquerque next month! Register now!

PPC Update
Danielle Williams and Corrie Marsh, PPC chair & vice-chair

We hope you’re all registered for the 31st Annual NASIG conference because it’s just around the corner, and we’re looking forward to seeing everyone there. We’re also pleased to share the Great Ideas Showcase and Snapshot Session presentations for the 2016 conference.

If you haven’t had a chance, check out the workshops we’re offering:

- Corrie Marsh and Dillon Wackerman are offering a great workshop on creating an institutional repository.
- Eleanor Cook and Maria Collins are giving two half-day workshops on academic writing and publishing designed for beginning librarians and experienced librarians in the afternoon.
- Shanna McDanold and Terry Reese are offering two workshops for beginning and advanced MarcEdit users.
- Marlene van Ballegooie, Sheri Meares, and Kristen Wilson are leading a workshop on KBART.

Vendor Lightning Talks continue and will offer vendors an opportunity to share brief looks at new products and services, updates on products, and will include representatives from bepress, Taylor & Francis, Rockefeller University Press, American Institute of Physics, and the American Chemical Society.

See you in Albuquerque!
Conference Mentoring Program
Simona Tabacaru, Chair, NASIG Mentoring Group

NASIG’s Mentoring Group is again sponsoring a Conference Mentoring Program to help make new conference attendees feel more at ease, highlight membership benefits, and create networking opportunities. The program will match experienced NASIG conference attendees with new conference goers.

The only requirement to be a mentee is attendance at the 31st Annual NASIG Conference in Albuquerque, NM.

To be a mentor, we ask you have attended a previous NASIG conference, be willing to make contact with your mentee prior to the conference, and be willing to meet with your mentee at the conference. Of course we hope you’ll also check on your mentee during the conference, especially at group social events, just to make sure they aren’t lonely.

We invite all mentees and mentors to the First-timers Reception on Thursday, June 9th. This is a great time to meet up with your mentor or mentee for the first time and get to know one another.

The deadline for applications will be Friday, May 27, 2016. After all applications are received, we will contact you with the name of your partner. This program has been very successful for several years and we look forward to your participation this year!

Click here to sign up to be a mentor or mentee.

Please feel free to contact me or Sandy Folsom for additional information about the mentoring program.

Profile

Profile of Jim O’Donnell
31st Annual NASIG Conference Vision Speaker
Sharon Dyas-Correia

Jim O’Donnell is one of three Vision Speakers scheduled to engage and enlighten participants at the 31st annual NASIG Conference. O’Donnell holds a Bachelor’s degree from Princeton and a PhD from Yale. In addition to being the University Librarian at Arizona State University, O’Donnell is a classical scholar. According to the entry about him in Wikipedia, “O’Donnell writes and lectures on topics of the late Roman Empire, Augustine of Hippo, and also on information technology in the modern academic and cultural world. O’Donnell was an early adopter of the World Wide Web for academic collaboration within the humanities.” (https://en.wikipedia.org/wiki/James_J._O%27Donnell).

The Wikipedia entry for O’Donnell also indicates that “In 1994, he offered the first Internet MOOC when five hundred students around the world participated in his University of Pennsylvania seminar on the life and work of St. Augustine through gopher and email connectivity” (https://en.wikipedia.org/wiki/James_J._O%27Donnell).

The profiles editor asked O’Donnell to provide brief written answers to a series of questions about his ideas, interests and background as well as a teaser or two of what conference attendees might be treated to in June. The following are some of the answers provided by O’Donnell. He is sure to be a stimulating and absorbing speaker who will engage the minds of conference goers. His vision will undoubtedly provide much food for thought.

What do you hope to accomplish in your current position?

In the most innovative university with the best president in the country, we have a chance to transform library spaces and services in a very short time. Stay tuned.

Are there highlights of your work background you would like to share?

This is my fourth career (professor, chief information officer, provost, university librarian): I like to bite off more than I can chew.

Photo courtesy of Jim O’Donnell
What makes your background ideal for your work?

I’m a pretty nontraditional candidate for university librarian, but it’s worth noticing that my dissertation a long time ago was a biography of a scholar/monk/librarian from the sixth century AD.

What is the topic for your vision session at the conference in Albuquerque and can you give us some highlights or a teaser?

Working on it, but ask yourself: how many libraries should there be in the world in the year 2100? I can think of two answers.

Are there other fun things or facts about you that you would like to share?

See the photo taken with my friend Gary in Brisbane a few years back.

Anything else you would like to include?

I’m the co-founding publisher and editor of the oldest open access online journal in the humanities, *Bryn Mawr Classical Review* ([first published in] November 1990). I actually invented the online journal all by myself (thought it up from scratch) only to discover that about a dozen other people had beaten me to it, so I’ll never be famous.

O’Donnell’s Vision Session is sure to be thought-provoking and stimulating – a great way to start another great day with colleagues at the NASIG Conference in Albuquerque!

Please welcome our newest members! (In their own words...)

I finally decided this year to get a much overdue NASIG membership as I’m now creeping ever closer to completing my MLIS. I’ve been working with a variety of serials formats for over fourteen years in every stage of the process from trials to weeding, and everything in between, and more recently have shifted with the times into digital periodicals. I’m looking forward to learning from and contributing to NASIG.

While I originally joined NASIG as a student, I am now the new Regional Librarian for the Chamberlain College of Nursing, Charlotte Campus, which will involve working with serials on a daily basis. I joined while I was still a student because access and electronic resources are very important to me as an information professional. I hope I can get more involved with NASIG as I begin my career!

1.0 Welcome (Borchert)

The meeting was called to order at 8:40 am.

2.0 Strategic Planning Debrief (Borchert)

The Board discussed the strategic planning session facilitated by October Ivins that occurred on 1/21/16. In general, the feedback regarding the session was positive. It was decided that the Board will wait until Ivins distributes her report from the strategic planning session to discuss with the NASIG membership the results of the meeting and next steps. The report should be finished and distributed to the Board in February. A task force will be created to oversee the implementation of the strategic plan.

ACTION ITEM: After the Board receives the report from Ivins, Borchert and Creech will appoint a task force that will lead the strategic plan implementation.

One idea that was generated during the session is to do a regular self-study of the NASIG committees so that adjustments in committee structure, number of members, etc. would happen more regularly. Specifics of the routine committee self-study will be determined by the Strategic Plan Implementation Task Force.

One idea generated during the strategic planning session was to set up gmail accounts and Google Drive accounts for each NASIG committee. This will help to provide continuity on committees even as committee membership changes each year.

ACTION ITEM: Creech will poll the committee chairs to see if the committees currently have gmail addresses and/or Google Drive accounts.

ACTION ITEM: Borchert will create a NASIG Board gmail account.

ACTION ITEM: Burris will give the information regarding the gmail accounts/Google Drive accounts to CMC to record in their manual and list on the website after Creech polls the committees to see if a gmail account exists.
Another idea generated during the strategic planning session was to see what other conferences or events NASIG members attend.

ACTION ITEM: Borchert will start a Google sheet where NASIG members can record other conferences that they attend.

Additionally, the Board discussed creating a marketing plan now that NASIG has a new logo and tagline.

ACTION ITEM: Borchert will send the logo to Moore for the newsletter website.

3.0 Bylaws Revisions (Kaplan)

The Board reviewed a number of changes to the bylaws put forth by the Bylaws Committee, many of which involved correcting minor inconsistencies. The Board also made some minor suggestions to be sent back to Bylaws for review.

In Article II, many of the objectives were changed to better match NASIG’s new vision and mission.

In Article III Section 1 required an update to remove now defunct membership categories and clarification on organizational members.

ACTION ITEM: Geckle will send the updated language on organizational membership to Bylaws and Kaplan for Bylaws to review.

ACTION ITEM: Borchert will send the Board’s bylaws suggestions to Kaplan.

ACTION ITEM: Kaplan will pass along the Board’s suggestions for minor revisions to Bylaws.

4.0 Process for Sponsorship Requests (Robertson)

CEC received a request for sponsorship from the North Carolina Serials Conference and asked the Board for clarification on the correct procedure for sponsorship requests. The Board felt that the CEC chairs should remain as the primary sponsorship contacts. CEC will need to continue passing along sponsorship requests to the Board for approval. Additionally, Kelley will staff the booth at the NC Serials Conference.

VOTE: Oberg moved to approve the North Carolina Serials Conference request for sponsorship. Beh seconded. Collins chose to abstain, and all other members of the Board voted in favor of the request for sponsorship. The motion passed.

5.0 Reduced Hotel Room Rate for Registrar-in-Training (Kelley)

A question was brought before the Board regarding reduced hotel room rates at the conference for the Registrar-in-Training. The Board felt that a comprehensive overview of compensation is needed.

VOTE: Borchert moved for the Registrar-in-Training to receive waived registration and 2 hotel nights paid for by NASIG at the 2016 conference. Oberg seconded. The vote passed unanimously.

ACTION ITEM: Hanson and Geckle will summarize and evaluate the reimbursement policy and bring it to the Board in chart form.

6.0 Treasurer’s Report (Geckle)

A&R usually spends less than their budgeted amount because not all of the awards are given out each year. A&R hopes that there will be more student awards given out this year due to the increase in student memberships. Additionally, Taylor & Francis will be sponsoring the Merriman Award this year.

Non-Profit Help currently assists CPC with A/V and food and assists A&R with travel arrangements for award winners. There was an interest in seeing what other services Non-Profit Help could assist us with. Joyce Tenney is the NASIG Non-Profit Help liaison.
NASIG currently pays for 2 insurance policies a year. Geckle and Hanson were unsure whether NASIG’s insurance coverage level matches what is needed.

**ACTION ITEM:** Geckle and Hanson will work with Non-Profit Help to see if they have the expertise to help the Treasurers review NASIG’s insurance policies.

Additionally, Geckle reported having difficulties each year trying to get tax exempt status with the state in which the conference will occur.

**ACTION ITEM:** Geckle and Hanson will work with Non-Profit Help to see if they could help the Treasurers obtain tax exempt status with the state in which the conference will occur.

The Board also explored the idea of having Non-Profit Help investigate streaming options for the NASIG conference.

**ACTION ITEM:** Creech will talk to the PPC chairs about whether the concurrent session MOU allows for the recording of concurrent session presentations. Language already exists in the vision speaker MOU that could possibly be used in the concurrent session MOU.

**ACTION ITEM:** Borchert will talk with Tenney to discuss with Non-Profit Help to see if they offer services around streaming the conference.

### 7.0 Newsletter Advertisements Process (Kelley/Beh/Borchert)

Moore and Kelley designed a process where Moore contacts Kelley when a vendor/publisher wants to advertise in the Newsletter. Kelley will then follow-up with the vendor/publisher to see if they would also be interested in becoming a conference sponsor or increasing their conference sponsorship. Additionally, Moore will keep the Treasurer informed as to the vendors/publishers that are paying for Newsletter advertisements so that Geckle can give them credit if they choose to become a conference sponsor.

### 8.0 Marketing (Borchert)

The Board discussed NASIG’s marketing strategy.

**ACTION ITEM:** All Board liaisons need to contact their respective committees to see if the committees have any information that needs to go out on the NASIG blog.

### 9.0 Workshop Compensation (All)

There were some questions about workshop compensation since it varies from year to year.

**ACTION ITEM:** Geckle and Hanson will codify the workshop compensation to present to the Board for review. The current compensation rate has already been approved for 2016, but the Board will review it for consistency for future conferences.

### 10.0 Committee Updates (All)

- Archives and Archives Task Force: No questions for the Board.
- A&R: The awards application cycle has been extended this year.

**ACTION ITEM:** Creech will remind A&R to send out a reminder about the extended application due dates.

- Bylaws: No questions for the Board beyond revisions discussed in item 3.0.

- Conference Proceedings Editors: A vote is needed by the Board to approve the CPE proposal to change the production manager position to a production editor position.

**VOTE:** To approve the CPE proposal to change the production manager position to a production editor position, as well as the other recommendations made by CPE. Motion from Kelley; seconded by Burris. All voted in favor.
Additionally, CPE still has one outstanding contract that needs to be finalized with an author.

**ACTION ITEM:** Collins will contact the last author that has not signed a contract to discuss with him the license to publish.

- **D&D:** The Board has asked the committee to do an audit of the membership database, and the committee continues cleanup. Also, more documentation is needed around the workflow required to clean up the database.

**ACTION ITEM:** The Treasurer and Treasurer-Elect will organize a phone call with the chair and vice-chair of D&D, the co-chairs of CMC, and the vice-co-chair of CMC Website to discuss the workflow.

- **E&A:** The committee is in the process of selecting a vice-chair.

- **SCTF:** Nothing to report.

- **CEC:** CEC has been identifying edits to NASIG’s Wikipedia page. Additionally, CEC will be sponsoring a webinar on Feb. 18.

- **CPC:** There have been discussions surrounding the refillable water bottles. The Board agrees that it is important to have both bottles of water and refillable water bottles available at the conference.

- **CMC:** Co-chair Paoshan Yue will be stepping down. David Macaulay will be taking her place.

- **FPTF:** Nothing to report.

- **MDC:** MDC created a flyer for the conference. The Board made a few suggestions for the flyer.

**ACTION ITEM:** Burris and Kaplan will coordinate with the Publicist and CMC so that the Publicist is able to review the flyer and add the NASIG logo. CMC will then distribute the flyer to the NASIG listserv.

- **Mentoring:** Nothing to report.

- **Newsletter:** Moore created a list of Tier 1 and Tier 2 sponsors who have not yet had an advertisement in the NASIG Newsletter.

**ACTION ITEM:** Moore will send Kelley the list of Tier 1 and Tier 2 sponsors who have not yet had an advertisement in the Newsletter. Kelley will then contact the sponsors to remind them to place their advertisement in an upcoming Newsletter issue.

- **N&E:** N&E brought the issue before the Board on what to do if a current Board member is nominated in the middle of their term to run for another NASIG Board office position. If the Board member wins the election and accepts the new position, the Board determined that the next runner up in the election would only serve in the position for the remainder of the vacated person’s term.

**ACTION ITEM:** Oberg will go back to N&E to update their manual to say that the runner-up will be elected for the remainder of the original term.

- **PPC:** The PPC chairs submitted the slate to the Board and are working on the conference schedule. The Board did not have any issues with the proposed slate, although there were a few suggested adjustments to the schedule.

- **Site Selection:** The Board discussed rotating the conference to just a few favored conference sites as opposed to a new conference site each year. The Board will need more feedback from the membership to see how others feel about this proposal.

**ACTION ITEM:** Borchert, Creech, and McKee will generate a list of favorite past conference locations. They will discuss this on NASIG-L in April.

- **SOC:** SOC is interested in surveying the new student members of NASIG to see what they hope to get out
of their membership, as well as to find out where they are attending library school and when their anticipated graduation date.

**ACTION ITEM:** Collins and SOC can move forward on surveying the new student members of NASIG regarding what they hope to gain from their membership, what prompted them to join NASIG, where they are attending library school, their anticipated graduation date, and their intended future areas of work.

**11.0 Secretary’s Report (Getz)**

**11.1 Board Activity Report**

The Board went through all of the outstanding action items and updated them as needed.

**11.2 Approval of Dec. 3 Conference Call Minutes**

**VOTE:** A motion was made by Beh to approve the December 3 and January 13 conference call minutes. Oberg seconded. The motion passed unanimously.

**11.3 Approval of Jan. 13 Conference Call Minutes**

**12.0 Parking Lot Issues (All)**

The Board revisited the earlier issue of the Treasurer’s audit.

**ACTION ITEM:** Borchert will talk with individuals involved with previous audit to see if they might have any information as to how the process worked in the past.

**13.0 Adjourn (Borchert)**

The meeting was adjourned at 3:54 pm.

Minutes submitted by:
Kelli Getz, Secretary, NASIG Executive Board
2/18/16
• Physical banner

**ACTION ITEM:** Getz will send out the information regarding the printing of a new physical banner to the Board Listserv for discussion.

4.0 Follow-up from Strategic Planning Session (Borchert)

• Marketing proposal

The marketing proposal came from the strategic planning session. Per Borchert, we need to get the plan together on how we are going to digest the marketing information and push it out to the rest of the organization. The Strategic Planning Task Force is in the process of reviewing the marketing proposal before they send it to the full Board for approval.

• Fundraising coordinator

There has been some feedback regarding the Fundraising Coordinator on the Board listserv.

5.0 Physical and Virtual “Idea Box” (Kaplan)

Kaplan and Creech were tasked with providing both a physical and an electronic suggestion or idea box. A physical box and pre-printed forms will be provided at the registration desk at the conference.

They suggest locating the online form on the Member Center page. The online form will be sent to the info@nasig.org address. Additionally, they suggest introducing the new online suggestion form at the business meeting at the conference.

6.0 Petition Process (Borchert/Kaplan/Kelley)

Borchert, Kaplan, Kelley, and Oberg found a simple form that can be posted on the website once the Bylaws are approved. The form will expand to allow for a full description of the issue. The petition will be sent to the Board’s gmail account.

One problem that they encountered was figuring out how to have people virtually sign a petition. Suggestions included entering your Association ID number. It was pointed out that N&E already has a process in place, so the Board should further investigate that process for use in the petition process.

**ACTION ITEM:** Oberg, Kaplan, and Kelley will get the petition form drafted. CMC (Burris) will then decide if AMO or Google Forms will be the best option for the petition form.

7.0 Update on Logo Replacement on Website and Social Media Outlets

The Board wanted a status update on the logo replacement on the website and on social media outlets.

**ACTION ITEM:** Beh will work with Moore to get a status update on the Newsletter logo replacement.

Burris reported that CMC might need help with the blog headers.

**ACTION ITEM:** Burris will get clarification from CMC as to what kind of help that they need to get the logo changed on the blog headers.

Questions for Board

The applicant packets are quite lengthy, specifically the applicant questionnaires. Would it be possible to review and streamline these questionnaires for the 2017 awards cycle? Possible edits:

- Instead of asking each applicant to list their work history and/or a list of relevant coursework for the student awards in the application, ask applicants to simply attach a current CV or resume.
- Rather than asking multiple short-essay questions, ask the applicants to write one essay that would touch on the issues listed separately in the current application packets (i.e. an essay on the conference theme that includes how it relates to an applicant’s professional goals and objectives and the benefits (s)he might expect to receive from attending the NASIG conference.)

Bylaws Committee
Submitted by: Tessa Minchew

Members
Tessa Minchew, chair (North Carolina State University)
Kate Seago, vice chair (University of Kentucky)
Valerie Bross, member (University of California, Los Angeles)
Sofia Slutskaya, member (Georgia Perimeter College)
Adolfo Tarango, member (University of California, San Diego)
Laurie Kaplan, board liaison (ProQuest)

Continuing Activities
Bylaws changes have been presented to the membership for a thirty day discussion period and simultaneously running ballot that will close on May 23, 2016, twelve days after the end of the discussion period. As of the completion of this report, discussion has been procedural in nature, so the committee assumes that the bylaws changes themselves are not contentious. If the bylaws changes are accepted, the committee will draw up a final version of the bylaws, post them on the website, and deposit a copy of the previous and current bylaws with the archivist. In addition, the committee will be wrapping up updates to its working calendar and committee manual.

Completed Activities
In the past year, the committee has conducted a thorough review of the bylaws and proposed a number of revisions to accompany changes requested by the Executive Board. (The addition of a petition process, removing references to the now defunct corresponding membership category, and clarifying the rights of organizational members.) The committee has also reviewed and updated its webpage and internal documentation, excepting the committee manual and working calendar, updates to which will be completed before the annual conference.

NASIG Site Selection Committee
Submitted by: Carol Ann Borchert

Members

Carol Ann Borchert (University of South Florida)
Anna Creech (University of Richmond)
Anne McKee (Greater Western Library Alliance)

Continuing Activities

The committee held a conference call to discuss the idea of rotating the conference among 3-5 sites. Anne McKee will be drafting an RFP for sites by Tuesday, June 21, to send to sites in the eastern US, the midwest, the west coast, and a few sites in Canada. As the Board has discussed, rotating sites among a few cities will ease the burden on CPC, which currently must develop a relationship with each hotel from scratch every year. This may also encourage the hotels to provide additional concessions if we are going to be repeat customers.

Sites were selected based on proximity of airports, past conference experience, and other factors. One site in North Carolina was discussed, but due to recent legislation unfriendly to the LGBT community, we decided not to add that to the list. Once the committee approves the final RFP, Anne will send that to the three sites in each region. At that point, the committee will select sites to visit to further narrow down the pool.
Completed Activities

None.

Budget

The budget for the 2015 calendar year was $2,000 and we have spent $1,024.79.

Hayley Moreno, member (University of Houston)

Continuing Activities

The committee continues to explore ways to reach students in new and informative ways. SOC is currently collaborating with Continuing Education to create a webinar and potentially a webinar program, for our library school ambassadors to use and reference and as an introduction to NASIG for students. It may also serve as a standalone webinar for student members. We are soliciting feedback from current library school ambassadors to get a better idea of what content will be most useful for a recorded webinar for ambassadors to reference.

SOC continues to pursue the idea of introducing Student Snapshot Sessions at the 2017 Annual Conference in Indianapolis, IN. We plan to meet briefly with Conference Planning Committee, Program Planning Committee, and Awards and Recognition to solidify a timeline to implement the student snapshot sessions at the 2017 Annual Conference.

Completed Activities

SOC collaborated via listserv to provide a list of recommended survey questions to the Board to query the new student members. SOC also recommends offering a $50 Gift Card incentive for students to participate in the student member survey.

Budget

The committee requests $50 to print, distribute, and share pamphlets regarding NASIG with library schools, and about the Student Outreach Ambassador program at the annual conference.

Recommendations to Board

- Input regarding one question: With whom should we collaborate about sponsoring potential student speakers for the student snapshot sessions?
- $50 Gift Card incentive for students to participate in the student member survey.
- Create a student members list for contacting NASIG student members about student specific items.
